Briefly describe the organization's mission

Bethanna is a Christian non-profit organization that provides services for children and their families. For over 75 years Bethanna has reached out to abused, neglected and medically needy children in the greater Philadelphia area. Bethanna's mission, as a Christian organization, is to provide the highest quality system of care for children and families to ensure safety, restore emotional wellness, and build family stability. Bethanna served approximately 2,360 children during the fiscal year ended June 30, 2014 ranging in age from birth to 21 years old. Bethanna offers a continuum of services to support at-risk children, youth, and their families. Bethanna's guiding belief is that these children should live with and be raised by their birth parents. However, when this setting is disrupted, Bethanna has an array of social and mental health services available to meet the unique needs of individual children and their families.

Part X, Line 2	The Organization's federal exempt returns for fiscal years ended before June 30, 2011 are no longer subject to examination by the Internal Revenue Service. The Organization's state informational returns are subject to examination up to four years after they were filed. The statute of limitations does not apply to unfiled returns. The Organization believes that all required returns have been filed. At this time, management believes there are no uncertain tax positions which would not be sustained upon examination, therefore, the Organization did not have a liability for any unrecognized tax benefits. The Organization recognizes interest and penalties, if any, related to unrecognized tax benefits as other administrative expenses in the Statement of Functional Expenses. During the years ended June 30, 2014 and 2013, the Organization did not incur any interest or penalties.

Form 990, Part III, Line 4a		Bethanna selected by the Philadelphia Department of Human Services to serve as the Community Umbrella Agency (CUA) in South Philadelphia. The Philadelphia Department of Human Services (DHS) reached a major milestone in shifting the management of child welfare cases from the City to community-based organizations by selecting the seven agencies to oversee cases in their neighborhoods. With these selections, Community Umbrella Agencies (CUAs) are now in place for all ten coverage areas of the City under the sweeping DHS reform called Improving Outcomes for Children (IOC), a community-based approach to service delivery. Bethanna will serve the South Philadelphia community. Bethanna has a long history of innovative responses to the needs of Philadelphia's children. The organization has been a pioneer in providing Medical Foster Care for chronically ill children so that a child can receive medical care in a foster home setting rather than in a hospital setting. The agency has been effective in blending child welfare and behavioral health services to create a recovery-oriented system of childcare. Bethanna's mission is rooted in faith, hope and the belief that every family's voice, values and vision for their future is the central force that guides our work with them. Joining families along their journey is the touchstone of our long and storied work in Philadelphia. Start-up activities were initiated during the last half of the fiscal year. In addition to the launch of CUA activities in 2014, the following program services were delivered by Bethanna staff: Adoption and Post Permanency Services: A variety of discrete service elements are incorporated in the adoption process, including child specific recruitment, family assessment, child profiles, child preparation, matching, and placement supervision. Post Permanency Services are provided to families after a finalization is completed. Services are optional and based on the request of the families. Bethanna developed a contract with Chester County Children and Youth to provide Finding Families Services. Total combined services in FY 2014 - 594. Foster Care Services: Bethanna developed the Resource Parent Support position, in conjunction with subcontracting with the CUAs in Philadelphia. General/Medical Foster Care (relative and non-relative placements): General Foster and Kinship Care provides services to ensure that children are cared for in a safe and loving home that promotes each child's wellbeing in all life domains while working with their family to address the issues that resulted in the child being placed in foster care. The goal of foster care is first to promote the reunification of families and when necessary to provide other permanent families for children. Medical Foster Care provides a family setting for children with a variety of medical diagnoses that require specialized care from their foster parents. Total combined services in FY 2014 - 328. "PBC" Aftercare Services: Aftercare services are available to Philadelphia DHS children who are cared for at the "PBC" level of care. These services are provided for twelve months following a permanency outcome. The purpose is to reinforce the successful transition of families and children being re-unified or involved in permanent legal custodianship. Total served - 57. Treatment Foster Care: Treatment Foster Care provides social work interventions and coordinated in-home behavioral interventions delivered by Treatment Foster Care parents to work effectively with emotionally and behaviorally challenged children and youth. The treatment foster parent is specially trained and supported to help children develop positive, adaptive social skills, successful adjustments and improved well-being along their life journey. Total served - 108. Community Treatment Services: Community Treatment Services are designed to meet the unique needs of children, adolescents, and families who have experienced various forms of trauma and are struggling to maintain a secure attachment with their primary caregivers due to family inter-relational strains, specialized parenting skill needs, chronic difficulties in school, and other issues. These events typically leave children feeling lost, anxious, isolated, hopeless, emotionally dysregulated and with limited competency skills. This year our focus in each of the Community Treatment Services (CTSS, BHRS, OPC) is a continued commitment to a team approach, in which staff work collaboratively with families, caregivers, child welfare professionals, other service providers, and community supports, to meet the youths and families' challenges and needs in all their life domains. Our services are rooted in faith, hope and the belief that every family's voice, values and vision for their future is the central force that guides our work with them. Joining families along their journey is the touchstone of our long and storied work in Philadelphia, Bucks, Montgomery and Delaware counties. This year
