Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Schedule I, Part I, Line 2	Haverford College scholarships are based solely on need. The College does not have any grant aid based on merit. Applicants can be asked to file the College Board Profile and the FAFSA. If eligible for federal aid, parent and student personal and business taxes must also be provided. Supplements for businesses and forms for non-custodial parents may also be required based on circumstances. College policy is reviewed in the form of appeals to the Financial Aid Committee made up of the Dean of Admissions, the Dean of the College and the VP of Finance and Chief Administrative Officer. Haverford scholarships are credited directly to the student's account for tuition, room, board, fees and other billed charges. Supplemental Education Opportunity Grants (FSEOG) are awarded based on family contribution. Eligibility is determined by the FAFSA and regulations determined by the U.S. Department of Education that students who receive Pell grants be provided FSEOG funds first. Other verification forms may be required if the student is selected including the Verification Statement, parent and student tax returns and non-tax filer statements. FSEOG awards are credited directly to the student's account for tuition, room, board and other billed charges. FSEOG awards are audited annually by the College's outside auditors in conjunction with the A-133 federal funds audit. Student internships are awarded through an application and committee review process. The internship awards are paid directly to the student for travel, room, board and other fees. This assistance enables the students to engage in unpaid internships in a variety of domestic and international locations. Some of the areas of study include Humanities, global Citizenship, Sciences and Entrepreneurship.
