INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Meridian Community College Foundation Meridian, Mississippi 39301

We have audited the accompanying financial statements of Meridian Community College Foundation (a nonprofit organization), which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Meridian Community College Foundation as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Business Activities

The Meridian Community College Foundation is a nonprofit organization organized for the purpose of assisting individuals in pursuing their collegiate education and training by providing scholarships and awards to individuals on the basis of academic achievement and need. Meridian Community College Foundation provides leadership in attracting private investment to Meridian Community College.

Reporting Entity

For financial reporting purposes, the Foundation is considered to be a component unit of Meridian Community College.

Basis of Accounting

The financial statements, which are presented on the accrual basis of accounting, have been prepared to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of net assets and transactions into three classes – permanently restricted, temporarily restricted and unrestricted as follows:

Permanently restricted net assets – net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Generally, the donor of these assets permits the Foundation to use all or part of the income earned on related investments for general or specific purposes in support of Meridian Community College.

Temporarily restricted net assets – net assets subject to donor-imposed stipulations that may or will be met by actions of the Foundation and/or the passage of time. To the extent that restricted resources from multiple donors are available for the same purpose, the Foundation expenses such gifts on a "first in, first out" basis.

Unrestricted net assets – net assets which represent resources generated from operations or that are not subject to donor-imposed stipulations.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless the use of underlying net asset is restricted by explicit donor stipulations or by law. Expirations of restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at a rate commensurate with the risk involved. Amortization of the discount is recorded as contribution revenue and recognized in accordance with donor-imposed restrictions, if any, on the contributions. Allowance is made for uncollectible contributions based upon management's judgement and analysis of the creditworthiness of the donors, past collection experience and other relevant factors.

Income and realized and unrealized gains (losses) on investments of permanently restricted net assets are reported as follows:

- as increases (decreases) in permanently restricted net assets if the terms of the gift or the Foundation's interpretation of relevant state law require that they be added to the principal of a permanent endowment fund;
- as increases (decreases) in temporarily restricted net assets if the terms of the gift impose restrictions on their use;
- as increases (decreases) in unrestricted net assets in all other cases.

Donated assets

Donated assets are recorded at fair market value at the date of gift.

Cash

The Foundation recognizes all demand deposit accounts as cash and cash equivalents. It is the policy of the Foundation to consider money market accounts with brokers as other short-term investments.

Property and equipment

Property and equipment are recorded at cost or approximate market value at date acquired, if acquired by gift. Property and equipment consisted of the following at June 30:

	<u>2014</u>	<u>2013</u>
Land	\$305,501	\$305,501
Land improvements	14,500	14,500
Buildings and improvements	536,150	536,150

• •	872,000	872,000
Less: accumulated depreciation	(118,924)	(102,531)
•	\$753,076	\$769,469

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Depreciation is recorded on all depreciable capital assets on a straight-line basis over the following estimated useful lives:

<u>Asset</u>	<u>Years</u>
Land Improvements	20
Buildings and improvements	40
Equipment	5-7

Depreciation expense amounted to \$16,393 and \$16,393 at June 30, 2014 and 2013, respectively.

Investments

Investments are recorded at fair value. The fair values of all investments other than real estate are based on quoted market prices and other observable inputs such as quoted prices for similar assets, quoted prices in inactive markets, or inputs corroborated by observable market data. The Foundation's real estate investments are also carried at fair value based on appraisal values at the date of receipt. Both realized and unrealized gains and losses are reflected in the accompanying statements of activities based on restrictions put in place by the donor.

Fair Value of Financial Instruments

The carrying amounts at June 30, 2014 and 2013 for cash and cash equivalents, investments, pledges receivable, accounts payable, and annuity liabilities approximate their fair values. See note 11 for investments.

Other assets

Other assets at June 30, 2014, and 2013 consist of the following:

	<u> 2014 </u>	<u> 2013</u>
Life insurance policies	\$ 12,999	\$ 12,999
Steel sculpture	5,000	5,000
Cartmell oil portraits	20,959	20,959
Donations of artwork	200,083	190,183
Miscellaneous receivable	<u>6,172</u>	2,434
	\$245,213	\$231,575

Included in other assets are donated assets (steel sculpture, Cartmell oil portraits, and artwork). These assets are recorded at their fair market value on the date of the gifts. It is the policy of the Foundation not to record appreciation or depreciation relative to these donated assets as the Foundation does not intend to sell these items.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The Foundation invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the accompanying balance sheets.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Pledge Receivables

Contributions are recognized when the donor makes a promise to give to the Foundation that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Pledge receivables at June 30, 2014 and 2013 amounted to \$196,266 and \$129,883 respectively and are due in less than one year.

Income Taxes

The Foundation is exempt from federal income taxes on related income under Internal Revenue Code section 501(a) as an organization described in section 501(c)(3). The Foundation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. As of June 30, 2014 and 2013, there were no material uncertain tax positions.

Liquidity

Assets are presented according to their nearness to cash and liabilities are presented according to their nearness of payment or use of cash.

Subsequent Events

The Foundation has evaluated subsequent events through February 19, 2015, the date the financial statements were available to be issued. The Foundation does not believe there are any material subsequent events which would require disclosure.

NOTE 2 EDUCATIONAL LOAN RECEIVABLES

In 2008, a local financial institution turned over to the Foundation an educational loan trust, for which the financial institution was the trustee. The educational loan trust was established to assist local students attending universities. At the time the educational loan trust was turned over to the Foundation, there were 57 outstanding loans totaling \$77,989; many of these loans had not been serviced for a number of years. The Foundation determined that 22 of the outstanding loans with a loan balance of \$50,540 were collectible. The Foundation's management began actively pursuing collection of these loans. At June 30, 2014 and 2013 the balance due relative to these loans amounted to \$4,271 and \$8,571, respectively.

During the year ended June 30, 2012, The Stranahan Foundation (a 501(c)(3) organization) located in Toledo. Ohio entered into a grant agreement with the Foundation on behalf of Meridian Community College in support of the Early Childhood Professional Development and Training Project currently under development at the College. The total grant award amounted to \$192,000 and is payable over a three year period. On June 12, 2012, the Foundation received \$78,000 in grant funds from the Stranahan Foundation in support of this project. The Phil Hardin Foundation (a 501(c)(3) organization) joined in this project and awarded a grant in the amount of \$150,000 on behalf of the College to the Foundation. This grant is payable over a three year period, with an automatic two year extension. On May 23, 2012, the Foundation received \$50,000 of this grant award. These funds are shown on the face of the statement of financial position as pass through grant funds payable and are considered temporarily restricted. Earnings to date relative to these funds total \$8,842 and have been transferred to Meridian Community College.

NOTE 6 ANNUITY LIABILITY

The Foundation is obligated pursuant to the terms of a charitable remainder annuity trust agreement established by a donor-program of the Foundation to pay the donors an annual sum of \$8,078 per trust agreement (paid monthly) for the lives of the donors. Pursuant of this agreement a \$115,400 gift was made in February 2000. The donors' charitable deduction for federal income tax purposes was \$35,838 in 2000. The annuity liability is to be revalued annually with Internal Revenue Service rate tables, based on the donors' attained ages and the payout rates.

At June 30, 2014, the annuity liability amounted to \$50,755. At June 30, 2013 the annuity liability amounted to \$52,898.

The Foundation's promise to make the payments to the donor pursuant to the agreement is unsecured and in no way contingent upon future earnings with respect to the property transferred to the Foundation. As of June 30, 2014, the joint annuity received in February 2000 is the only outstanding liability.

NOTE 7 CONCENTRATION OF CREDIT RISK

The Foundation maintains cash balances at several financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At June 30, 2014 and 2013 the Foundation did not have cash in excess of the insurance limit.

The Foundation maintains a significant portion of its investments with one brokerage firm.

NOTE 8 TUITION GUARANTEE PROGRAM

This program cost the Foundation approximately \$77,215 for the year ended June 30, 2014, and \$88,900 for the year ended June 30, 2013. The Tuition Guarantee covers tuition only. However, the Meridian Community College Foundation also awards scholarships based on ACT scores which can be used to help pay fees and purchase books. The cost of this additional program was \$52,650 for the year ended June 30, 2014 and \$48,150 for the year ended June 30, 2013.

NOTE 13 FAIR VALUE MEASUREMENT

FASB ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB ASC 820 also establishes a framework for measuring fair value and expands disclosures about fair value measurements. The fair value hierarchy established in FASB ASC 820 prioritizes the inputs used in valuation techniques into three levels as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Foundation has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

NOTE 13 FAIR VALUE MEASUREMENT - CONTINUED

NOTE 14 NET ASSET CLASSIFICATION OF ENDOWMENT FUNDS

The FASB issued FASB ASC 958, Not-for-Profit Entities, which provides guidance about the net asset classification of donor-restricted endowment funds for a not-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA) and expands disclosures about endowment funds (both donor-restricted and board-designated endowment funds), regardless of whether an organization is subject to UPMIFA. The Mississippi legislature enacted House Bill 1104 adopting UPMIFA during the 2012 legislative session. The legislation was effective July 1, 2012.

NOTE 14 NET ASSET CLASSIFICATION OF ENDOWMENT FUNDS - CONTINUED

The Foundation's Board of Directors has reviewed the terms of UPMIFA as enacted by the Mississippi legislature and has determined that its donor agreements for permanent endowments provide for the preservation of the original gift of the donor-restricted endowment funds. As a result, the Foundation classifies as permanently restricted net assets the original gift donated to the permanent endowment and the original value of subsequent gifts. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified in temporarily restricted net assets until the amounts are expended in accordance with the donor agreements.

The Foundation has established policies to achieve the overall, long-term investment goal of achieving an annualized total return, through appreciation and income, greater than the rate of inflation plus any distribution needs, thus protecting the assets against inflation. The Board and Joint Committee on Investments agree that investing in securities with higher return expectations outwelghs their short-term volatility risk. As a result, the majority of assets are invested in equity or equity-like securities. Fixed income securities are used to lower the short-term volatility of the portfolio and to provide income stability, especially during periods of weak or negative equity markets. Cash is not a strategic asset of the portfolio, but is a residual to the investment process and used to meet short-term liquidity needs. The primary performance objective of the Foundation is to achieve a total return, net of investment management fees and expenses, in excess of the inflation and spending rate.

The Foundation's spending policy is designed to instill confidence that the positive growth in the market value of the endowment is sufficient to offset reasonable spending over an extended period of time. The spending policy is approved by the Foundation's Board of Directors. In accordance with UPMIFA, the Board may expend as much of an endowment fund as the Board determines to be prudent for the uses and purposes for which the endowment fund was established. The target spending rate was approximately 4% of endowment earnings above corpus for the years ended June 30, 2014 and 2013. The objective is to provide relatively stable spending allocations. No portion of the original gift value of the endowed assets will be allocated for spending.
