Part I, Line 2	Each grantee is required to submit a yearly scientific progress report, which is reviewed by the FFB science staff and compared with the proposed milestones submitted with the original grant application. Attention is also given to the plan for experiments to be performed in the coming year. Any problems or issues identified by the grantee and/or FFB scientific staff are resolved to our mutual satisfaction, however, if a consensus cannot be reached or if the apparent progress is not satisfactory in the opinion of FFB scientific staff, after consultation with members of the FFB Scientific Advisory Board, the grant is terminated with a short phase out period.
