Part X Line 2 Accounting principles generally accepted in the United States of America

require the System's management to evaluate tax positions taken by the System and

recognize a tax liability (asset) if the System has taken an uncertain position that

more likely than not would not be sustained upon examination by a taxing authority.

Management has analyzed the tax positions taken by the System and has concluded that, as

of June 30, 2014, there are no uncertain tax positions taken or expected to be taken.

The System is subject to routine audits by taxing jurisdictions, however, there are

currently no audits for any tax periods in progress. Management believes the System is

no longer subject to income tax examinations for years prior to 2010.
