Grantmaker's Description of How Grants are Used	At the time that grants are awarded, the CFO reviews the conditions of the grant to determine if the funds should be restricted to particular purposes. If the donor has indicated that the funds must be directed to a particular purpose and/or the recipient is required to report how the funds were used, a resource code is assigned to allow all financial activity related to the grant to be tracked in the accounting system. On a periodic basis, usually quarterly, the CFO reviews the reported use of the grant funds to determine if any expenses are inconsistent with the grant's purpose. If any expenses are inconsistent, a journal is prepared to reassign those expenses to an appropriate resource.
