COMPENSATION REVIEW AND APPROVAL - FORM 990, PART VI, LINE 15	Pursuant to the College's by-laws, approved via a vote of the full board, the compensation arrangements for the President and select officers and key employees are approved in advance through the following process. The Compensation Subcommittee of the Board's Executive Committee organizes and conducts the review of the President as the College's Chief Executive Officer, and makes recommendations to the Executive Committee and the Board concerning the compensation of the President and select officers and key employees. The Compensation Subcommittee consists of Trustees without a conflict of interest with respect to the compensation arrangement. In formulating its recommendations, the Compensation Subcommittee obtains and relies upon comparability data regarding the compensation of the President and select officers and key employees at similarly situated private colleges and universities. The Subcommittee presents to the Executive Committee its written report and recommendations. The Executive Committee may approve the Subcommittee's report and recommendations or act otherwise, and the Executive Committee's action is then presented to the full Board in executive session for ratification. A written report of the approved compensation determination and the basis for that determination is subsequently filed and preserved with the College's General Counsel and Secretary.
