Schedule C, Part II-B, LINE 1i	Wheaton Franciscan Healthcare and Franciscan Ministries are part of a controlled group of healthcare and housing organizations that are related through a common parent organization. Certain entities within this controlled group engage in limited lobbying activities that benefit each organization collectively. Wheaton Franciscan Healthcare employs one full time Vice President of Strategic Planning and Government Relations whose duties include a portion of lobbying activities. These lobbying activities approximate 20% of total annual salary. A benefits factor of 25% is added, and the total is allocated amongst the organizations receiving the benefit of these services. The lobbying activities include such things as preservation of Medicare and Medicaid funding, monitoring federal legislation that may impact the organization, participating in and coordinating visits with elected officials, coordinating advocacy activities in conjunction with relevant trade associations, and providing awareness on specific state related legislative issues when the need arises (e.g. state hospital assessment legislation in Wisconsin). The portion of direct expenses related to annual employee business travel to Washington DC or other locations, in order to lobby for issues important to healthcare providers and patients, have been included if applicable. Finally, any trade association dues containing a percentage portion allocable to lobbying activities, has been added or estimated, as appropriate. Return Reference	Explanation
Part I, Line 2	Wheaton Franciscan Healthcare and Franciscan Ministries maintain files and records to manage the decision-making and award process for organizations that it provides community sponsorship dollars to. Decisions are made by a Community Sponsorship Committee with leaders who hold positions in Diversity, Strategic Planning, Mission Services, Marketing and Philanthropy. The Committee generally strives to sponsor organizations that have missions that align with the mission, vision and values of Wheaton Franciscan Healthcare and/or Franciscan Ministries. The committee also looks for certain other criteria when deciding which organizations will receive contributions, including but not limited to supporting healthcare or housing related activities within the Southeast Wisconsin, Iowa, and Illinois markets, supporting programming that work to further diversity and cultural competency, aligning with other WFH business relationships or service lines, supporting student academic achievement or workforce development initiatives, and finally, supporting environmental "green" initiatives. Leaders periodically meet with representatives of sponsored organizations to discuss objectives including how dollars will be spent. Additionally, Wheaton Franciscan Healthcare may, at a later date, ask for documentation in order to monitor that funds were spent for their intended purpose. Currently, confirmation letters are sent to sponsored organizations when award dollars are given, that confirm the dollar amount awarded and the intended purpose, with a request that the recipient acknowledge receipt of the funds in written correspondence. Files are maintained in the Organizational Change and Leadership Performance Department to include copies of letters of request, award and denial letters, additional documentation if requested, and acknowledgement receipts from sponsored organizations.
