	STUDENT INSTRUCTION - Hillsdale College boasts a curriculum as extraordinary as its history At the center of this curriculum is the core - the set of courses that each student takes, and that all students share The idea behind a core curriculum is that all men and women, in order to be well-rounded individuals and good citizens, should share a certain core knowledge and understanding Hillsdale's core curriculum contains the essence of the classical liberal arts education Through it, our students are introduced to the history, the philosophical and theological ideas, the works of literature and the scientific discoveries that set Western Civilization apart Students of the liberal arts learn to think well, communicate effectively and observe intelligently the workings of the physical world Behind the idea of the liberal arts is the idea that truth is the basis of knowledge Knowledge based on truth leads to caring about virtue and caring about virtue allows us to be truly free The opposite idea - the idea that freedom simply means the ability to follow our appetites and passions - is what the Founders of America condemned as "license " A liberal arts education teaches us to distinguish liberty from license America's Founders, following the greatest thinkers of our Western heritage, teach us that a people who confuse liberty and license will not be capable of maintaining free government Thus, liberal arts education is not only essential for us to fulfill our individual potential, but it is also necessary for the preservation of free society Hillsdale's faculty is the key to its academic excellence We seek and attract faculty who are devoted, above all, to their students They are serious about learning They are dedicated to the search for truth They are in the fullest sense of the term, a "teaching" faculty Hillsdale College offers 31 traditional majors, seven interdisciplinary majors, nine pre-professional programs and a certificate program in journalism Students at Hillsdale are prepared to become leaders worthy of their heritage They come to understand what it means to deserve freedom and what it takes to preserve it They come to appreciate their debt to their forebears for the blessings of liberty that they enjoy, and to recognize their duty to their children to pass those blessings on
4b	(Code) (Expenses \$ 19,572,684 including grants of \$ 19,572,684) (Revenue \$ 9,512,351)
	STUDENT SCHOLARSHIPS AND GRANTS - Hillsdale College follows its historic mission to provide "all persons who wish, irrespective of nation, color, or sex, a literary and scientific education," as it has since it was founded in 1844, independently, without the strings and entanglements that come with government subsidies It is famous for its refusal to accept federal taxpayer funding, even in the form of federal student aid In 1984, the Supreme Court handed down a decision in the case of "Grove City v Bell" that threatened Hillsdale College's independence The Court ruled that any educational institution with even one student who received federal aid would be considered an "indirect recipient institution" and thereby subject to federal regulations Hillsdale's Board of Trustees acted swiftly and decisively to uphold the school's longstanding mission They notified the Department of Education that Hillsdale College would not accept federal tuition assistance for its students, but would replace it with privately funded scholarships and grants Hillsdale College is unique in this respect among American institutions of higher learning In the fall of 1985, Hillsdale College's Student Independence Grant and Loan Fund was established It continues to this day, assisting hundreds of deserving students each year who desire a rigorous classical liberal arts education The net cost of replacing federal financial aid since 1985 exceeds \$78 million Over \$22 million was awarded in privately funded scholarships and grants during the 2013/2014 academic year Over \$5 5 million of this total is direct replacement of the federal and state grants, scholarships that Hillsdale students would receive at nearly every other college or university in the nation Approximately 90 percent of Hillsdale students qualify for and receive financial assistance
4c	(Code) (Expenses \$ 9,146,327 including grants of \$ 0) (Revenue \$ 564,926)
	STUDENT SERVICES - An integral part of the Hillsdale College experience is our student service area The first encounter is with our Admissions Office which continues to have a high quantity of applicants and each year the competition for admission to Hillsdale is increasing As the result Hillsdale is able to be more selective in their acceptance of students Our fall 2013 freshman class of 385 students joined a current student body (total enrollment 1444) representing 47 states and 7 foreign countries Further, an average ACT composite score of 29 and 1933 on the SAT is indicative of the high quality of student Hillsdale is recruiting Hillsdale is not just about life in the classroom Because preparation for leadership is one of Hillsdale's primary goals, some of the most important lessons can be learned outside the classroom Whether it is athletics, student government, volunteer opportunities, Greek life or the fine and performing arts, students are involved in a variety of co-curricular activities The GOAL (Great Opportunities for Assistance and Leadership) program is Hillsdale's primary volunteer program Through it, our students dedicated over 20,000 hours of service in the local community and surrounding region during the past year Activities include tutoring, mentoring, basic living assistance and simple companionship Nearly one-third of Hillsdale's student body is involved in one of our seven national fraternities and sororities These Greek chapters encourage philanthropic activities, develop leadership skills and provide a special opportunity to form lifelong friendships Hillsdale's placement record for graduating seniors has averaged 94 percent over the past three years with the graduating class (spring 2013) having a 97% placement rate within six months of graduation including 16% attending graduate or professional school
	(Code) (Expenses \$ 18,293,787 including grants of \$ 0) (Revenue \$ 53,836,361)

Return Reference	Explanation
Schedule E, Part I, Line 3	Hillsdale College's policy of non-discrimination is written into its original Articles of Association, which were adopted in 1853. They state, "The object of this institution is and shall be to furnish to all persons who wish, irrespective of nationality, color, or sex, a literary, scientific or theological education as comprehensive and thorough as is usually pursued in other colleges or theological schools in this country, and to combine with this, such moral, social and artistic instruction and culture as will best develop the minds and improve the hearts of the students." Hillsdale College continues to be governed by these words, and they are incorporated into the school's more recent mission statement. These words are included in the College catalog and they are featured prominently in the Hillsdale College Honor Code.
Schedule E, Part I, Line 4	In 1844 Hillsdale opened its doors to everyone and obtained the nation's 1st collegiate charter (1850) that prohibited discrimination based on race, religion, or sex. The 1st Michigan college (the nation's 2nd) to admit women on a par with men, it was the nation's 2nd to confer the B.A. to women. A pre-Civil War leader in nondiscrimination, it refused to specify race on records or to base decisions or policies on the race of its students, faculty or staff. Today it bases admissions/hiring practices on qualification, competence and merit without regard to race, color, religion, national origin, sex, age, disability or any other legally protected status. The Catalog states "The College values the merit of each unique individual, rather than succumbing to the dehumanizing, discriminatory trend of so-called 'social justice' and 'multicultural diversity,' which judges individuals not as individuals, but as members of a group and which pits one group against other competing groups."

Return Reference	Explanation
Schedule I, Part I, Line 2	Hillsdale College awards both scholarships and grants to its students. Students can receive a scholarship at matriculation in the form of merit or performance scholarship. Merit scholarship is awarded by committee based upon an incoming student's high school gpa, standardized test scores, and other, more subjective criteria such as community involvement, interviews, essays, letters of recommendation, and admissions rank. Performance scholarships are awarded by budget managers (typically coaches and fine arts chairs) based upon their own evaluations. Criteria for renewal of merit scholarships generally require students to maintain a 3.0 accumulative gpa. The Financial Aid Office polices this 3.0 requirement and any other scholarship criteria which may be attached to privately funded, named scholarships. Correspondence is sent to students at the end of each semester pertaining to their progress toward scholarship requirements. Students may become eligible for additional scholarship after their freshman year based upon classroom performance and campus involvement. These scholarship decisions are also made by committee after a review of scholarship budgets and criteria. With respect to grants, Hillsdale College students may become eligible for grant monies only by demonstrating significant need on Hillsdale College's Confidential Family Financial Statement (CFFS). All new applicants are required to submit a copy of the most recent signed tax information of parent(s) and student and any other necessary documents to complete verification of eligibility. This needs test must be resubmitted each year for renewal consideration and adjustments to amounts may be made based upon changes in demonstrated need. In addition to demonstrated financial need, grant recipients are required to meet academic standards of progress, exhibit good citizenship and moral character, and be enrolled at least half time. The Financial Aid Office monitors these additional components each semester using information provided by the Dean's Office and Registrar's Office. During fiscal year 2014, Hillsdale College awarded monetary grants/prizes to three educational institutions based on specified criteria. One prize recognizes one outstanding public or private school teacher with his/her school receiving the funds. The recipient is chosen among the teachers nationally who are implementing the ideas and curriculum contained in a comprehensive educational resource designed by Hillsdale College professors. The school is required to prepare an annual report on the expenditure(s) of the Prize until such funds are entirely expended. The other two grants supported the launch of K-12 charter schools which are based on a classical liberal arts model and which have a strong civics component which will equip students to understand and defend the principles of the American founding. The recipients are required to provide Hillsdale College documentation on the use of the funds in addition to on-site visits by Hillsdale College staff.

Schedule J, Part I, Line 1a	By the nature of the position, the CEO is required to fulfill several obligations/commitments which may result in travelling first-class and/or charter to accommodate required appointments. Further his spouse may accompany him as well as dictated by her required presence for an event. The CEO has available to him a discretionary fund (budgeted each year) for assisting individuals and/or projects in need of support. Further, the CEO is required to reside in college-owned housing for the purpose of being a presence on campus and for entertainment purposes. As the result of living in a college-owned residence, the College provides, as with all campus buildings, light housekeeping. The position of CEO also requires membership in certain social/academic organizations and therefore, the college provides the dues/fees associated with that membership. From time to time the College utilizes the College President's personal residence for College events and housing of College guests.
Schedule J, Part I, Line 3	The Prudential Committee (executive committee) of the Board of Trustees approves the CEO's annual salary. The Treasurer's Office secures salary information supplied by the Chronicle of Higher Education, Form 990 of other organization, compensation consultants and written contract. This information is then provided to the Prudential Committee for their review and evaluation.
Schedule J, Part I, Line 5	Depending on the levels of gift revenue, bonuses were paid.
