Form 990, Part III	PROVIDENCE HOSPITAL & PROVIDENCE FOUNDATION COMMUNITY BENEFIT REPORT FISCAL YEAR END JUNE 30, 2014 The Foundation's mission is to enhance the delivery of spiritually centered, holistic care to all persons with special attention to the poor and vulnerable through the programs and services of St. John Providence Health System's West Region. Seamless coordination helps make this mission a reality. Providence Health Foundation volunteers and staff work together with the physicians, nurses and associates of Providence and Providence Park Hospitals, with impressive results. The effects are felt far beyond hospital walls. Providence Health Foundation supports philanthropic activities and inspires community collaborations that focus on building a sound capital base, securing innovative technology and funding programs that address the health care needs of our communities. This report illustrates the significant degree to which Providence Hospital contributes to the positive health status of the communities it serves. As a member of Ascension Health, the nation's largest Catholic healthcare system, Providence Hospital continues to build and strengthen sustainable collaborative efforts that benefit the health of individuals, families, and society as a whole. The goal of Providence Hospital is to perpetuate the healing mission of the church. Providence Hospital furthers this goal through delivery of patient services, care to the elderly and indigent, patient education and health awareness programs for the community, and medical research. Our concern for all human life and dignity of each person leads the organization to provide medical services to all people in the community without regard to the patient's race, creed, national origin, economic status, or ability to pay. FINANCIAL INFORMATION The financial information presented below was prepared in accordance with the Catholic Health Association's (CHA) community benefit reporting guidelines. These guidelines recommend the following - Report care of the poor at cost, not charges - Do not include bad debt, contractual allowances, and quick pay discounts as part of care of the poor expense - Do not count Medicare shortfall as a community benefit - Report the net expense for community benefit services, i.e., the total community benefit expense minus any associated revenue from patients, payers, and other external sources. The CHA reporting guidelines reflect a conservative approach to reporting quantifiable community benefit. The goal of the reporting guidelines is to produce community benefit financial reports that reflect true costs and that describe community benefit activities that increase access to health care and improve community health. Providence Hospital information for fiscal year ended June 30, 2014: 1) Care of the poor (at cost) = \$6,762,109 2) Government sponsored health care (net expense) = \$978,777 3) Unpaid cost of public indigent care programs (includes Medicaid, Schip, and other safety net programs, does not include Medicare shortfalls) = \$16,006,650 4) Community benefit programs (net expense) = \$13,423,580 Total quantifiable community benefit, as determined in accordance with CHA reporting guidelines = \$37,171,116 SUPPLEMENTAL INFORMATION Bad debt costs attributable to charity = \$11,293,765 Medicare shortfall = -\$2,040,247 Total quantifiable community benefit, including bad debt and Medicare shortfall = \$46,424,634 CHARITY CARE The Hospital had 113,044 Emergency Department (ED) visits in fiscal 2014, an increase of 1% over FY13. Increasingly, patients are experiencing limited abilities to pay for health care services or qualify for state and federally funded programs like Medicaid and Medicare programs that cover only a portion of the cost of services provided. Providence Hospital provides a substantial portion of its services to the elderly and poor. During the fiscal year ending June 30, 2014, approximately 41% of the value of services rendered was to elderly patients under the Medicare program, and approximately 9% of the services were provided to patients who were deemed indigent under state, county, or Medical Center Guidelines. ORGANIZATIONAL COMMITMENT TO PROVIDING COMMUNITY BENEFIT Providence Hospital and Medical Center is made up of a 416-bed teaching hospital located in Southfield, Michigan and a 212-bed hospital located in Novi, Michigan. Providence Hospital seeks to improve the physical, mental, social and spiritual health status of its surrounding community. In addition to providing health care services to all individuals who require medical attention, Providence Hospital has developed the following programs to help achieve its mission: HEALTH ACCESS Support of the Thea Bowman Community Health Center, located in Northwest Detroit, the St. Vincent DePaul Clinic in Northwest Detroit, Physicians Who Care Program, donation of pharmaceuticals to the World Medical Relief program, and donations of supplies through materials management. Each hospital has a dog that visits with patients, families and associates (with a trained volunteer handler) to enhance their day and healthcare experience. SUMMARY Providence Hospital furthers its charitable purposes by providing a broad array of services to meet the healthcare needs of patients and organizations in the community. We provide essential medical services to the community, train and recruit healthcare professionals to serve the needs of the broader community, provide appropriate charity services to those patients who are not able to pay for their own healthcare needs, provide services to other organizations that allow them to provide quality services.
