ART COLLECTION - FURTHERANCE OF EXEMPT PURPOSE	Schedule D, Part III, Line 4 To enable students and community members to learn about and experience different art forms
Intended Uses of Endowment Funds	Schedule D, Part V, Line 4 The organization's endowment funds are used for scholarships, academic programs and facilities to assist in furthering the mission of the college
organization's liability for uncertainty in income taxes under fin 48	schedule d, part x, question 2 As required by the uncertain tax position guidance, the College recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would more-likely-than-not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority. The College applied the uncertain tax position guidance to all tax positions for which the statute of limitations remained open and determined there were no material unrecognized tax benefits as of that date. As of June 30, 2014, the statute of limitations is no longer open for years before 2011 for federal income tax purposes. For state income tax purposes, the statute of limitations is no longer open for years before 2010. As of June 30, 2014 and 2013, the College believes the guidance to have no effect on its financial statements. Additionally, the guidance provides for the recognition of interest and penalties related to income taxes. There were no interest or penalties related to income taxes that have been accrued or recognized as of and for the years ended June 30, 2014 and 2013.
