Grantmaker's Description of How Grants are Used	Applications for funding are available via an independent website on an annual basis for 501(c)(3) non-profit organizations. Requests are limited to projects that will significantly improve the health and well-being of people living in Washington County and may include capital projects. Applicants are given approximately one month to submit their application and supporting documentation. The applications then go to a committee of individuals from local communities, as well as individuals from the Froedtert Health, Inc. system. The Healthy Community Fund committee will review appropriate application requests and determine if the program/project meets requirements. After a formal ranking process it will be determined if support will be granted, and at what level, given the available resources and committees current priorities. The recommendation of the Healthy Community Fund committee then goes to the St. Joseph's Community Foundation, Inc. Board and the Froedtert Health, Inc. president for approval. Once the organizations were notified of funding and given the money, they were asked to submit a report to the St. Joseph's Community Foundation, Inc. Board showing the progress of their project.
