Part IV, Line 2b Explanation of escrow account liability	Several local nonprofits have chosen to invest some of their funds through the Pella Community Foundation's investments. The Pella Community Foundation has an investment program that allows for a diversified portfolio of investments. This has allowed local nonprofits to diversify their portfolios more than would have been possible on their own. The Pella Community Foundation and the local nonprofits have an agency agreement, where the investing nonprofits have signed an agreement that they have accepted the risk of these investments. Distributions (up to 100% of the Fund balance) of the Fund is pursuant to requests of the Agency submitted in writing authorizing such distributions. The resolution shall state the specific reason(s) for the request and describe why such distribution would further the legitimate interests of the Agency and how the fiduciary responsibilities to prior contributions will be fulfilled. Any such distribution of the Fund's principal, in whole or in part, shall be subject to the approval of the Foundation's Board of Directors, which shall not be unreasonably withheld, and will be made within 90 days of the required approvals. The Foundation provides a written statement to the Agency no later than 30 days after the end of each quarter showing the performance and activity of the Fund. The fee to administer the investments by the foundation is 5% of the market value of the Funds assets at the fiscal year-end.
Part V, Line 4 Intended uses of the endowment fund	The amounts previously held as Permanent Endowments or quasi-permanent endowment have been reclassified as unrestricted. The Community Foundation has variance powers which allow gifts to be reclassified if the original use is not practical or becomes difficult to administer, as such, no contributions can be considered permanent. In accordance with the reclassification in the audit, all net assets are now considered unrestricted unless a time element would release a temporary restriction.
Part X FIN48 Footnote	It is the opinion of management that the Foundation had no uncertain tax positions that would be subject to Interpretation No. 48.

Return Reference	Explanation
Grantmaker's Description of How Grants are Used	Local nonprofits submit grants to the Pella Community Foundation each year requesting funds to help them meet their charitable purpose. The grants are evaluated by a committee of the Pella Community Foundation and rated by all the members of the committee. A weighted average is then calculated to determine which grant applications will be funded and for how much. Before grants are paid out to the local nonprofits, they are required to sign a document that states that the grant will be used as described in their application, and they will submit proof to the Pella Community Foundation of their expenditure in accordance with their grant application. In addition, there are grants paid out related to a spending rate set by the board on invested permanent endowment and agency funds. These grants are requested by the owner of the agency funds, or the designated beneficiary of the permanent endowment fund. All owners or beneficiaries are tax-exempt nonprofits within the local area as determined by the Pella Community Foundation's exempt purpose.
