Part I, Line 2 - Grantmakers Explanation For Monitoring Use of Funds Outside US	<p>Mentors International maintains expenditure control over its grants, projects and activities by having board control over each of the affiliate partner organizations it helped to establish and organize. Partner organizations are visited at least twice each year. During those visits we audit their policies and procedures, verify client businesses, meet the entrepreneurs that we are assisting through micro lending and conduct regular training with local staff and officers. Each affiliate partner is expected to have an external audit of its accounting processes and general ledger conducted in accordance to US GAAP. Management monitors partner revenues and expenditures as well as key performance indicators from its headquarters. Mentors International provides leadership by giving partners guidance, support and direction.</p>
