Schedule A-Change in Overall Method of Accounting (If Schedule A applies, Part I below must be completed)

Part I Change in Overall Method (see instructions)

1 Enter the following amounts as of the close of the tax year preceding the year of change. If none, state "None." Also, attach a statement providing a breakdown of the amounts entered on lines 1a through 1g.

	Amount
a Income accrued but not received (such as accounts receivable)	\$ NONE
b Income received or reported before it was earned (such as advanced payments). Attach a description of the income and the legal basis for the proposed method	NONE
c Expenses accrued but not paid (such as accounts payable)	NONE
d Prepaid expenses previously deducted	NONE
e Supplies on hand previously deducted and/or not previously reported.	NONE
f Inventory on hand previously deducted and/or not previously reported. Complete Schedule D, Part II.	NONE
g Other amounts (specify). Attach a description of the item and the legal basis for its inclusion in the calculation of the section 481(a) adjustment. ► _____	NONE
h Net section 481(a) adjustment (Combine lines 1a–1g.) Indicate whether the adjustment is an increase (+) or decrease (–) in income. Also enter the net amount of this section 481(a) adjustment amount on Part IV, line 25.	\$ 0

2 Is the applicant also requesting the recurring item exception under section 461(h)(3)? ☒ **Yes** ☐ **No**

3 Attach copies of the profit and loss statement (Schedule F (Form 1040) for farmers) and the balance sheet, if applicable, as of the close of the tax year preceding the year of change. Also attach a statement specifying the accounting method used when preparing the balance sheet. If books of account are not kept, attach a copy of the business schedules submitted with the Federal income tax return or other return (e.g., tax-exempt organization returns) for that period. If the amounts in Part I, lines 1a through 1g, do not agree with those shown on both the profit and loss statement and the balance sheet, attach a statement explaining the differences.

Part II Change to the Cash Method For Advance Consent Request (see instructions)

Applicants requesting a change to the cash method must attach the following information:

1 A description of inventory items (items whose production, purchase, or sale is an income-producing factor) and materials and supplies used in carrying out the business.

2 An explanation as to whether the applicant is required to use the accrual method under any section of the Code or regulations.

Schedule B—Change to the Deferral Method for Advance Payments (see instructions)

- 1** If the applicant is requesting to change to the Deferral Method for advance payments described in section 5 02 of Rev Proc 2004-34, 2004-1 C B 991, attach the following information
 - a** A statement explaining how the advance payments meet the definition in section 4 01 of Rev Proc 2004-34
 - b** If the applicant is filing under the automatic change procedures of Rev Proc 2008-52, the information required by section 8 02(3)(a)-(c) of Rev Proc 2004-34
 - c** If the applicant is filing under the advance consent provisions of Rev Proc 97-27, the information required by section 8 03(2) (a)-(f) of Rev Proc 2004-34
- 2** If the applicant is requesting to change to the deferral method for advance payments described in Regulations section 1 451-5, attach the following
 - a** A statement explaining how the advance payments meet the definition in Regulations section 1 451-5(a)(1)
 - b** A statement explaining what portions of the advance payments, if any, are attributable to services, whether such services are integral to the provisions of goods or items, and whether any portions of the advance payments that are attributable to non-integral services are less than five percent of the total contract prices See Regulations sections 1 451-5(a)(2)(i) and (3)
 - c** A statement explaining that the advance payments will be included in income no later than when included in gross receipts for purposes of the applicant's financial reports See Regulations section 1 451-5(b)(1)(ii)
 - d** A statement explaining whether the inventorable goods exception of Regulations section 1 451-5(c) applies and if so, when substantial advance payments will be received under the contracts, and how the exception will limit the deferral of income

Schedule C-Changes Within the LIFO Inventory Method (see instructions)

Part I General LIFO Information

Complete this section if the requested change involves changes within the LIFO inventory method. Also, attach a copy of all **Forms 970**, Application To Use LIFO Inventory Method, filed to adopt or expand the use of the LIFO method.

1. Attach a description of the applicant's present and proposed LIFO methods and submethods for each of the following items:

a. Valuing inventory (e.g., unit method or dollar-value method).

b. Pooling (e.g., by line or type or class of goods, natural business unit, multiple pools, raw material content, simplified dollar-value method, inventory price index computation (IPIC) pools, vehicle-pool method, etc.).

c. Pricing dollar-value pools (e.g., double-extension, index, link-chain, link-chain index, IPIC method, etc.).

d. Determining the current-year cost of goods in the ending inventory (i.e., most recent acquisitions, earliest acquisitions during the current year, average cost of current-year acquisitions, or other permitted method).
2. If any present method or submethod used by the applicant is not the same as indicated on Form(s) 970 filed to adopt or expand the use of the method, attach an explanation.
3. If the proposed change is not requested for all the LIFO inventory, attach a statement specifying the inventory to which the change is and is not applicable.
4. If the proposed change is not requested for all of the LIFO pools, attach a statement specifying the LIFO pool(s) to which the change is applicable.
5. Attach a statement addressing whether the applicant values any of its LIFO inventory on a method other than cost. For example, if the applicant values some of its LIFO inventory at retail and the remainder at cost, identify which inventory items are valued under each method.
6. If changing to the IPIC method, attach a completed Form 970.

Part II Change in Pooling Inventories

1. If the applicant is proposing to change its pooling method or the number of pools, attach a description of the contents of, and state the base year for, each dollar-value pool the applicant presently uses and proposes to use.
2. If the applicant is proposing to use natural business unit (NBU) pools or requesting to change the number of NBU pools, attach the following information (to the extent not already provided) in sufficient detail to show that each proposed NBU was determined under Regulations section 1.472-8(b)(1) and (2):

a. A description of the types of products produced by the applicant. If possible, attach a brochure.

b. A description of the types of processes and raw materials used to produce the products in each proposed pool.

c. If all of the products to be included in the proposed NBU pool(s) are not produced at one facility, state the reasons for the separate facilities, the location of each facility, and a description of the products each facility produces.

d. A description of the natural business divisions adopted by the taxpayer. State whether separate cost centers are maintained and if separate profit and loss statements are prepared.

e. A statement addressing whether the applicant has inventories of items purchased and held for resale that are not further processed by the applicant, including whether such items, if any, will be included in any proposed NBU pool.

f. A statement addressing whether all items including raw materials, goods-in-process, and finished goods entering into the entire inventory investment for each proposed NBU pool are presently valued under the LIFO method. Describe any items that are not presently valued under the LIFO method that are to be included in each proposed pool.

g. A statement addressing whether, within the proposed NBU pool(s), there are items both sold to unrelated parties and transferred to a different unit of the applicant to be used as a component part of another product prior to final processing.
3. If the applicant is engaged in manufacturing and is proposing to use the multiple pooling method or raw material content pools, attach information to show that each proposed pool will consist of a group of items that are substantially similar. See Regulations section 1.472-8(b)(3).
4. If the applicant is engaged in the wholesaling or retailing of goods and is requesting to change the number of pools used, attach information to show that each of the proposed pools is based on customary business classifications of the applicant's trade or business. See Regulations section 1.472-8(c).

Schedule D-Change in the Treatment of Long-Term Contracts Under Section 460, Inventories, or Other

Section 263A Assets (see instructions)

- Cost or market, whichever is lower
- Retail cost
- Retail, lower of cost or market
- Other (attach explanation)

b Enter the value at the end of the tax year preceding the year of change . . .

Inventory Being Changed		Inventory Not Being Changed
Present method	Proposed method	Present method

- 5 If the applicant is changing from the LIFO inventory method to a non-LIFO method, attach the following information (see instructions)
- a Copies of Form(s) 970 filed to adopt or expand the use of the method
- b Only for applicants requesting advance consent. A statement describing whether the applicant is changing to the method required by Regulations section 1.472-6(a) or (b), or whether the applicant is proposing a different method
- c Only for applicants requesting an automatic change. The statement required by section 22.01(5) of the Appendix of Rev Proc 2008-52 (or its successor)

Part II

Method of Cost Allocation (Complete this part if the requested change involves either property subject to section 263A or long-term contracts as described in section 460 (see instructions))

Section A-Allocation and Capitalization Methods

Attach a description (including sample computations) of the present and proposed method(s) the applicant uses to capitalize direct and indirect costs properly allocable to real or tangible personal property produced and property acquired for resale, or to allocate and, where appropriate, capitalize direct and indirect costs properly allocable to long-term contracts. Include a description of the method(s) used for allocating indirect costs to intermediate cost objectives such as departments or activities prior to the allocation of such costs to long-term contracts, real or tangible personal property produced, and property acquired for resale. The description must include the following:

1. The method of allocating direct and indirect costs (i.e., specific identification, burden rate, standard cost, or other reasonable allocation method).
2. The method of allocating mixed service costs (i.e., direct reallocation, step-allocation, simplified service cost using the labor-based allocation ratio, simplified service cost using the production cost allocation ratio, or other reasonable allocation method).
3. The method of capitalizing additional section 263A costs (i.e., simplified production with or without the historic absorption ratio election, simplified resale with or without the historic absorption ratio election including permissible variations, the U.S. ratio, or other reasonable allocation method).

Section B-Direct and Indirect Costs Required To Be Allocated

Check the appropriate boxes showing the costs that are or will be fully included, to the extent required, in the cost of real or tangible personal property produced or property acquired for resale under section 263A or allocated to long-term contracts under section 460. Mark "N/A" in a box if those costs are not incurred by the applicant. If a box is not checked, it is assumed that those costs are not fully included to the extent required. Attach an explanation for boxes that are not checked.
