|-------------------|---|
| Part II-B, Line 1 | Children's Care Hospital and School (CCHS) contracts for lobbying services. The lobbyist is in direct contact with legislators, their staffs and government officials during the state's 30-40 day legislative session. The lobbyist helps CCHS define issues and make contact with appropriate legislative and executive branch personnel to make sure they truly understand how issues that may be in front of them will affect CCHS. Lobbying revolves around proposed budgetary issues as well as advocating for the welfare of people served by CCHS. Dues paid to others for lobbying represents the lobbying portion of dues paid to South Dakota Association of Healthcare Organizations and American Network of Community Options and Resources for the fiscal year July 1, 2013 through June 30, 2014 |

| Form and Line Reference | Explanation |
|-------------------------|---|
| rait1, Lille / | Line 7b) Unreimbursed Medicaid is the cost of Medicaid provided for inpatients, patients at the Rapid City Rehab Center, and for both Rapid City and Sioux Falls outreach. The cost is calculated by multiplying the Medicaid charges times the cost-to-charge ratio, as determined through use of the general ledger. The amounts on line 71 are related to the direct costs and revenues as recorded in the general ledger accounting system. |

| Part I, Ln 7 Col(f) | Bad debt expense of \$80,052 was subtracted from total operating expense |

| Form and Line Reference | Explanation |
|-------------------------|---|
| Part III, Line 4 | A) No part of the amount on line 2 was determined to be charity care eligible B) Payments on accounts that are written off are normally made directly to the collection agency. In the rare event that a payment is received directly by CCHS, CCHS notifies the collection agency of its receipt of the payment so the patient's account balance can be adjusted C). The financial statements that describe the bad debt expense are on note 1 page 7 and 8. Please note the attached financial statement is for the 9-months ended March 31,2014. The amount reported as bad debt expense is \$58,539 from the audit report plus \$21,513 from the general ledger for the three months ended 6/30/14. |

| Form and Line Reference | Explanation |
|-------------------------|--|
| r dicili, Ellic o | No part of the shortfall on line 7 is treated as community benefit. The Hospital has Medicare certification because it is required in order to operate. The overall cost-to-charge ratio based on audited financial statements was used to calculate cost. |

| Form and Line Reference | Explanation |
|-------------------------|---|
| Part III, Line 9b | The hospital is in the process of developing a written billing and collection policy in compliance with IRC 501(r) Based on past experience, Children's Care Hospital and School (CCHS) has not felt a written debt collection policy was a priority for its patients, and has focused resources in other areas that were critical. This is because the only patient responsibility for residential/inpatient would be for patients in the 18 bed hospital unit who only have commercial insurance—no secondary Medicaid. That is rare, but, if it happens, the resident's guarantor would be made aware of the approximate amount based on information CCHS would have received from insurance when pre-authorization was done. Options for payment would include a payment plan. Financial counseling for outpatient services starts with CCHS verifying that patient's insurance is effective and also contacting insurance with diagnosis and procedure codes to check coverage. Next, the parent/guarantor is contacted to inform them of the approximate amount for which they'll be financially responsible, at which time they are asked to sign a private pay agreement before services are provided. If the account is not paid as agreed upon, billing notices are sent. The third nonpayment statement states payment must be made to hold the account from collections, and the fourth statement says payment must be made on or before the due date or the account will be sent to collections. |

| Form and Line Reference | Explanation |
|-------------------------|---|
| r art v1, Line 2 | CCHS relies on its board members and board members of LifeScape Foundation who represent all regions of the state, its medical staff, and school districts whose students it serves to help advise of health care needs of their respective communities. CCHS also conducts regular meetings with parents and patients to help assess the health care needs of the communities it serves. In addition, CCHS conducted a community health needs assessment during the fiscal year ended 6/30/13 Please refer to Part V lines 1-8 for additional information. |

| Form and Line Reference | Explanation |
|-------------------------|---|
| rait v1, Lille 3 | Residential and inpatient services are always pre-authorized by a third party payer and any patient responsibility is discussed with the resident's guarantor upon admission. Financial counseling is available for outpatient services. This starts with CCHS verifying that patient's insurance is effective and contacting insurance with diagnosis and procedure codes to check coverage. Next, the parent/guarantor is contacted to inform them of the approximate amount for which they'll be financially responsible. They are asked to sign a private pay agreement before services are provided. |

| Form and Line Reference | Explanation |
|-------------------------|--|
| rait v1, Line 4 | CCHS serves approximately 1,900 children and their families in 59 counties throughout South Dakota every year Additional children and families are served throughout Northwest Iowa, Southwest Minnesota, Nebraska, Wyoming and Alaska 72 South Dakota public and tribal school districts also rely on CCHS Children from 18 public or private agencies and programs are also served No other hospitals in the area provide similar services |

| Form and Line Reference | Explanation |
|-------------------------|---|
| Part VI, Line 5 | - All CCHS governing body members reside in different parts of its primary service area in South Dakota All board members are independent of CCHS and serve in a volunteer capacity - CCHS extends medical staff privileges to all qualified physicians in its communities - CCHS uses surplus funds to enhance services to patients, fund building improvements or expansions, and improve care by providing additional training to staff - CCHS is the only provider in South Dakota offering 24-hour, integrated medical, behavioral, and special education services for children ages birth to 21 CCHS serves families and schools who are unable to support children with severe behaviors who may harm themselves or others Medical programming is provided to fill the gap between services provided in the home and school district and services provided at acute care hospitals - CCHS has several Clinical Affiliation agreements with surrounding area schools to provide training experience for physical, occupational and speech therapists, nurses and psychology students - CCHS participates in the Medicare program, several state Medicaid programs, and the Birth to 3 program Volunteers have provided 9,700 hours of service over the past year assisting with all aspects of CCHS operations. Volunteers assist CCHS staff with administrative tasks in reception, finance, medical records and fundraising, and provide support to professionals in residential areas. |

| Children's Care Hospital & School | Part V, Section B, Line 121 There are instances when a patient may appear eligible for charity care discounts, but there is no financial assistance form on file due to a lack of supporting documentation. Often there is adequate information provided by the patient through other sources, which could provide sufficient evidence to provide the patient with charity care assistance. In the event there is no evidence to support a patient's eligibility for charity care, Children's Care Hospital and School could use outside agencies in determining estimate income amounts for the basis of determining charity care eligibility and potential discount amounts. Presumptive eligibility may be determined on the basis of individual life circumstances that may include 1 State-funded prescription programs, 2 Homeless or received care from a homeless clinic, 3 Participation in Women, Infants and Children programs (WIC), 4 Food stamp eligibility, 5 Subsidized school lunch program eligibility, 6 Eligibility for other state or local assistance program that are unfunded (e.g., Medicaid spend-down), 7 Low income/subsidized housing is provided as a valid address, and, 8 Patient is deceased with no known estate |

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Children's Care Hospital and School and Children's Care Foundation, which comprise the consolidated balance sheets as of March 31, 2014 and June 30, 2013, and the related consolidated statements of operations, changes in net assets, and cash flows for the nine months ended March 31, 2014 and the year ended June 30, 2013, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

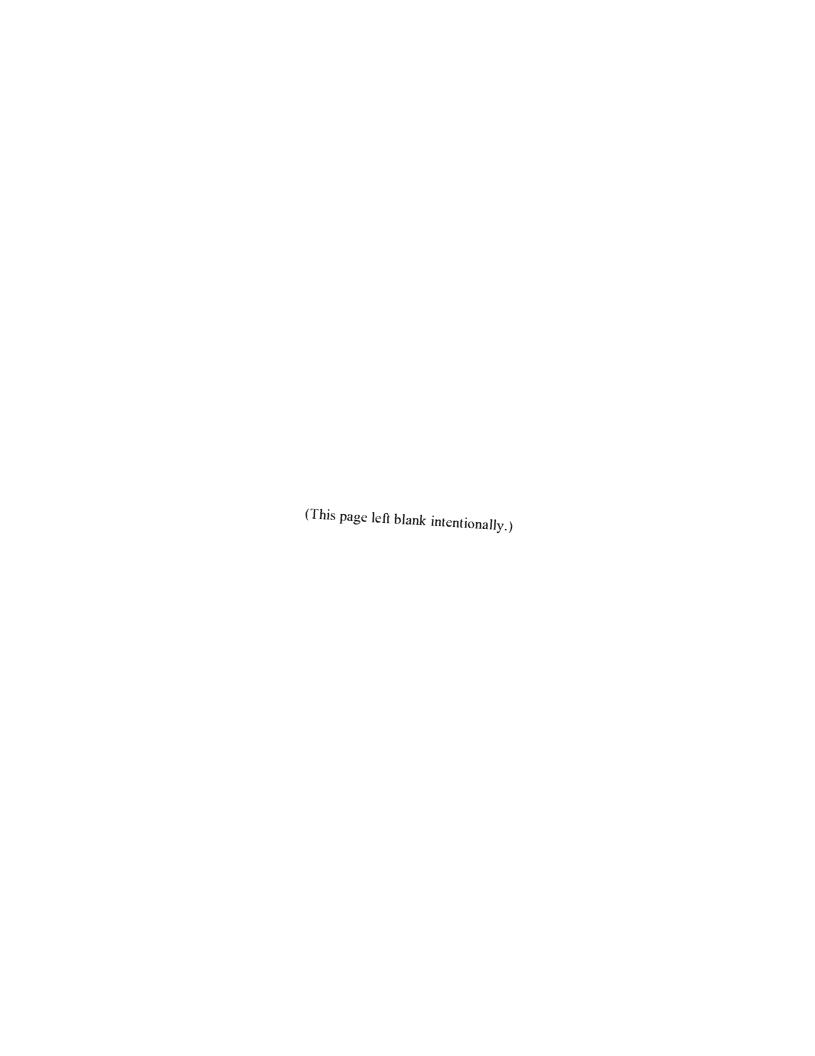

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Children's Care Hospital and School and Children's Care Foundation as of March 31, 2014 and June 30, 2013, and the results of their operations, changes in net assets, and cash flows for the nine months ended March 31, 2014 and the year ended June 30, 2013 in accordance with accounting principles generally accepted in the United States of America.

Note 1 - Summary of Significant Accounting Policies

Organization

Children's Care Hospital and School (Hospital and School) is organized as a non-profit corporation with facilities in Sioux Falls and Rapid City, South Dakota. The Hospital and School offers therapeutic, nursing, and medically complex services, as well as rehabilitation and educational services to children and their families, with special health and education needs.

Children's Care Foundation (Foundation) was incorporated for the purpose of encouraging and assisting the Hospital and School in providing medical or educational services to children with disabilities. Members of the Foundation's Board of Directors are subject to ratification by the Board of Directors of the Hospital and School. In addition, the Foundation is under common management with the Hospital and School. Children's Care Hospital and School has been the principal beneficiary of the Foundation since the Foundation's inception on July 1, 1979.

Principles of Consolidation

The financial statements include the consolidated accounts of Children's Care Hospital and School and Children's Care Foundation, (collectively, the Organization). All material intercompany balances and transactions have been eliminated.

Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments with an original maturity of three months or less, excluding assets limited as to use.

Patient and Resident Receivables

Patient and resident receivables are uncollateralized patient, resident and third-party payor obligations. Payments of patient receivables are allocated to the specific claims identified on the remittance advice or, if unspecified, are applied to the earliest unpaid claim.

Notes to Consolidated Financial Statements March 31, 2014 and June 30, 2013

Patient and resident receivables are reduced by an allowance for doubtful accounts. In evaluating the collectability of accounts receivable, the Hospital and School analyzes its past history and identifies trends for each of its major payor sources of revenue to estimate the appropriate allowance for doubtful accounts and provision for bad debts. Management regularly reviews data about these major payor sources of revenue in evaluating the sufficiency of the allowance for doubtful accounts.

For receivables associated with services provided to patients who have third party coverage, the Hospital and School analyzes contractually due amounts and provides an allowance for doubtful accounts and a provision for bad debts, if necessary (for example, for expected uncollectible deductibles and copayments on accounts for which the third-party payor has not yet paid, or for payors who are known to be having financial difficulties that make the realization of amounts due unlikely). For receivables associated with self-pay patients (which includes both patients without insurance and patients with deductible and copayment balances due for which third-party coverage exists for part of the bill), the Hospital and School records a provision for bad debts in the period of service on the basis of its past experience, which indicates that many patients are unable or unwilling to pay the portion of their bill for which they are financially responsible. The difference between the standard rates (or the discounted rates, if negotiated) and the amounts actually collected after all reasonable collection efforts have been exhausted is charged off against the allowance for doubtful accounts.

The Hospital and School's process for calculating the allowance for doubtful accounts for self-pay patients has not significantly changed from June 30, 2013 to March 31, 2014. The Hospital and School does not maintain a material allowance for doubtful accounts from third-party payors, nor did it have significant write offs from third-party payors.

Supplies

Supplies are stated at lower of cost (first-in, first-out) or market.

Investments and Investment Income

Investment purchases are recorded at cost or if donated at fair value on the date of donation. Thereafter, investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the balance sheets. Investments in certificates of deposits that are not publically traded are recorded at cost plus accrued interest. Investment income or loss (including realized gains and losses on investments, interest, and dividends) is included in revenues in excess of expenses unless the income or loss is restricted by donor or law. Unrealized gains and losses on investments are excluded from revenues in excess of expenses unless the investments are trading securities.

Endowment earnings appropriated for spending in the same year as they are earned are recorded in unrestricted net assets on the accompanying consolidated statements of operations.

Fair Value Measurements

The Organization has determined the fair value of certain assets and liabilities in accordance with generally accepted accounting principles, which defines a framework for measuring fair value.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Valuation techniques should maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Consolidated Financial Statements March 31, 2014 and June 30, 2013

A fair value hierarchy has been established which prioritizes the valuation inputs into three broad levels. Level 1 inputs consist of quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the related asset or liability. Level 3 inputs are unobservable inputs related to the asset or liability.

Assets Limited as to Use

Assets limited as to use include assets set aside by the Hospital and School Board of Directors for future capital improvements and debt redemption, over which the Board retains control and may at its discretion subsequently use for other purposes; and assets held by trustees under indenture agreements. Assets limited as to use that are available for obligations classified as current liabilities are reported in current assets.

Additionally, assets limited as to use consist of the following: investments permanently restricted by the donor; the present value of the estimated future distributions expected to be received from trust agreements for which the Organization is not the trustee; and the Foundation's interest in perpetual and remainder trusts maintained by independent trustees.

Beneficial Interests in Perpetual Trusts

The Foundation has been named as an irrevocable beneficiary of several perpetual trusts held and administered by independent trustees. Perpetual trusts provide for the distribution of the net income of the trusts to the Foundation; however, the Foundation will never receive the assets of the trusts. At the date that a notice of a beneficial interest is received, a permanently restricted contribution is recorded in the consolidated statements of changes in net assets, and a beneficial interest in perpetual trust is recorded in the consolidated balance sheets at the fair value of the underlying trust assets. Thereafter, beneficial interests in the trusts are reported at the fair value of the trusts' assets in the consolidated balance sheets, with trust distributions and changes in fair value recognized in the consolidated statements of changes in net assets.

Beneficial Interests in Remainder Trusts

The Foundation has been named as an irrevocable beneficiary of several charitable trusts held and administered by independent trustees. These trusts were created independently by donors and are administered by outside agents designated by the donors. Therefore, the Foundation has neither possession nor control over the assets of the trusts. At the date the Foundation receives notice of a beneficial interest, a temporarily restricted contribution is recorded in the consolidated statements of changes in net assets, and a beneficial interest in remainder trusts is recorded in the consolidated balance sheets at fair value using present value techniques and risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the expected distributions to be received under the agreement. Thereafter, beneficial interests in the trust are reported at fair value in the consolidated balance sheets, with trust distributions and changes in fair value recognized in the consolidated statements of operations and the consolidated statements of changes in net assets. Upon receipt of trust distributions and/or expenditures in satisfaction of the restricted purpose stipulated by the donor, if any, temporarily restricted net assets are released to unrestricted net assets.

Notes to Consolidated Financial Statements March 31, 2014 and June 30, 2013

Beneficial Interests in Assets Held by Community Foundations

The Foundation has a beneficial interest in several trust funds established directly by donors with the South Dakota Community Foundation and the Sioux Falls Area Community Foundation (Community Foundations). In donating these funds to the Community Foundations, donors have granted the governing boards of the Community Foundations variance power. Variance power gives the Community Foundations the right to modify the terms of the agreement if, in the judgment of the Community Foundations' Boards of Trustees, the restrictions and conditions of the agreement become unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community. All contributions are irrevocable gifts to the Community Foundations. Earnings are to be distributed annually. The Organization recognized contribution revenue of approximately \$22,000 and \$21,000 in the 2014 and 2013 consolidated statements of operations as distributions from the Community Foundations were received. As of March 31, 2014 and June 30, 2013, the Foundation had a beneficial interest of \$651,348 and \$585,780, respectively, made up of gifts made directly to the Community Foundations and related accumulated investment earnings. This beneficial interest, in accordance with generally accepted accounting principles, is not reported as an asset in the accompanying consolidated balance sheets.

Property and Equipment

Property and equipment acquisitions in excess of \$1,500 are capitalized and recorded at cost. Depreciation is provided over the estimated useful life of each depreciable asset and is computed using the straight-line method. The estimated useful lives of property and equipment are as follows:

| Land improvements | 5-20 years |
|-------------------------------|------------|
| Buildings and fixed equipment | 5-69 years |
| Major movable equipment | 3-25 years |

Gifts of long-lived assets such as land, buildings, or equipment are recorded at fair value at the date of the gift as determined by subsequent cash realization or by appraisal. Additions increase unrestricted net assets and are excluded from revenues in excess of expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when donated or when acquired long-lived assets are placed in service.

Deferred Financing Costs

Deferred financing costs are amortized over the period the related obligation is outstanding using the straight line method, which is a reasonable estimate of the effective interest method.

Income Taxes

The Hospital and School and the Foundation are separate nonprofit corporations and have each been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). The Hospital and School and the Foundation are each annually required to file a Return of Organizational Exempt from Income Tax (Form 990) with the IRS. The Hospital and School and the Foundation have each determined they are not subject to unrelated business income tax and neither has filed an Exempt Organization Business Income Tax Return (Form 990T) with the IRS. The Foundation is not controlled by any disqualified persons and meets the test of section 509(a)(3) of the Internal Revenue Code as a Type 1 supporting organization for the Hospital and School.

Notes to Consolidated Financial Statements March 31, 2014 and June 30, 2013

The Hospital and School and the Foundation each believe that they have appropriate support for any tax positions affecting their annual filing requirements, and as such, do not have any uncertain tax positions that are material to the financial statements. Future accrued interest and penalties related to unrecognized tax benefits and liabilities would be recognized in income tax expense if such interest and penalties were incurred.

Annuities Payable

The Foundation has entered into gift annuity agreements, which provide that the Foundation shall pay periodic amounts to designated beneficiaries until their death. The payments continue even if the assets gifted or acquired as a result of the gift have been exhausted. The Foundation recorded these gifts at market value with a corresponding liability recorded for the present value of payments to be made to the designated beneficiaries. Upon the death of the beneficiaries, the remaining assets are held or disposed of in accordance with the annuity agreements.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those assets whose use by the Organization has been limited by donors to a specific time period or purpose, income earned from permanently restricted net assets, and term endowment funds that are maintained and managed by independent trustees outside the control of the Foundation. The endowment fund assets will become available to the Foundation upon occurrence of a specified event, and accordingly are held as temporarily restricted net assets due to the time restrictions on the use of the assets.

Permanently restricted net assets have been restricted by donors to be maintained by the Organization in perpetuity. Income earned from these net assets is to be used for operations of the Hospital and School or as otherwise directed by the donor. Permanently restricted net assets also include the Foundation's interest in trusts that are managed and maintained by independent trustees outside the control of the Foundation.

Contributions

Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted revenue depending on the existence or nature of donor restrictions.

Unrestricted contributions received from donors are recorded in unrestricted net assets on the accompanying statements of operations. Contributions containing donor restrictions are recorded in unrestricted net assets if restrictions are satisfied in the same year that the contribution is received. Otherwise, donor restricted contributions are reported as an increase in temporarily or permanently restricted net assets. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of operations as net assets released from restrictions.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to the Organization's program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. The Organization records donated professional services at respective fair values of the services received.

Notes to Consolidated Financial Statements March 31, 2014 and June 30, 2013

Revenues in Excess of Expenses

Revenues in excess of expenses excludes unrealized gains and losses on investments other than trading securities and contributions of long-lived assets, including assets acquired using contributions which were restricted by donors.

Net Patient and Resident Service Revenue

The Hospital and School has agreements with third-party payors that provide for payments to the Hospital and School at amounts different from its established rates. Payment arrangements primarily include prospectively determined rates, discounted charges, and per diem payments. Net patient and resident service revenue is reported at the estimated net realizable amounts from patients, residents, third-party payors, and others for services rendered.

The Hospital and School recognizes patient and resident service revenue associated with services provided to patients and residents who have third-party payor coverage on the basis of contractual rates for the services rendered, as noted above. For uninsured patients, the Hospital and School recognizes revenue based on its standard rates for services provided (or on discounted rates, if negotiated or provided by policy). Based on historical experience, a portion of the Hospital and School's uninsured patients and residents will be unable or unwilling to pay for the services provided. Thus, the Hospital and School records a provision for bad debts related to uninsured patients and residents in the period the services are provided.

Net patient and resident service revenue, but before the provision for bad debts, recognized for the nine months ended March 31, 2014 and the year ended June 30, 2013 from these major payor sources, is as follows:

| | 2014 | 2013 |
|--|----------------------------|----------------------------|
| Net patient and resident service revenue Medicaid Other third party payors | \$ 11,065,894 7,986,407 | \$ 13,883,241 9,111,391 |
| | \$ 19,052,301 | \$ 22,994,632 |

Advertising

The Organization expenses advertising costs as incurred.

Electronic Health Records Incentive Payments

The American Recovery and Reinvestment Act of 2009 amended the Social Security Act to establish incentive payments under the Medicare and Medicaid programs for certain hospitals and professionals that meaningfully use certified Electronic Health Records (EHR) technology. To qualify for the EHR incentive payments, hospitals and physicians must meet designated EHR meaningful use criteria. In addition, hospitals must attest that they have used certified EHR technology, satisfied the meaningful use objectives, and specify the EHR reporting period. This attestation is subject to audit by the federal government or its designee.

Children's Care Hospital and School and Children's Care Foundation Notes to Consolidated Financial Statements March 31, 2014 and June 30, 2013

Medicaid programs and payment schedules vary from state to state. The Medicaid program in South Dakota requires eligible hospitals to register for the program prior to 2016, to engage in efforts to adopt, implement or upgrade certified EHR technology in order to qualify for the initial year of participation, and to demonstrate meaningful use of certified EHR technology in order to qualify for additional years of payments. The payment schedule is based on a formula of overall EHR amount times the Medicaid share and is paid 40% in the first and second years and 20% in the last year of participation based on the Federal Fiscal Year.

The Hospital and School recognizes EHR incentive payments as revenue when there is reasonable assurance that the Hospital and School will comply with the conditions attached to the incentive payments. EHR incentive payments are included in other operating revenue in the accompanying statements of operations. The amount of EHR incentive payments recognized as revenue is based on management's best estimate and that amount is subject to change due to audit with such changes impacting the period in which they occur. The amount of EHR incentive payments recognized in other revenue for the nine months ended March 31, 2014 and the year ended June 30, 2013 was \$1,950,000 for each period.

Note 2 - Net Patient and Resident Service Revenue

The Hospital and School has agreements with third-party payors that provide for payments to the Hospital and School at amounts different from established rates. A summary of the payment arrangements with major third-party payors follows:

The Hospital and School participates in the Medicaid programs for the states of South Dakota, Iowa, Minnesota, Nebraska, Wyoming, and Alaska. The Hospital and School's Medicaid reimbursement is determined at prospectively determined rates with no retroactive settlements. Revenue from Medicaid programs accounted for approximately 58% of the Hospital and School's net patient service revenue for the nine months ended March 31, 2014 and 60% for the year ended June 30, 2013. Laws and regulations governing Medicaid and other programs are extremely complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates could change by a material amount in the near term.

The Hospital and School has also entered into payment agreements with certain commercial insurance carriers and other organizations. The basis for payment to the Hospital and School under these agreements includes discounts from established charges and prospectively determined daily rates.

A summary of patient and resident service revenue, contractual adjustments, and the provision for bad debts for the nine months ended March 31, 2014 and the year ended June 30, 2013 is as follows:

| | 2014 | 2013 |
|---|---------------|---------------|
| Patient and resident service revenue | | |

Notes to Consolidated Financial Statements March 31, 2014 and June 30, 2013

The composition of assets limited as to use - donor restricted investments and investments at March 31, 2014 and June 30, 2013, is shown in the following table.

| | 2014 | 2013 |

| | | |
| | \$ 44,384,017 | \$ 39,069,980 |

Investment income including gains and losses on cash and cash equivalents, assets limited as to use, and investments consists of the following for the nine months ended March 31, 2014 and the year ended June 30, 2013:

| | 2014 | 2013 |
|--|--------------------------|----------------------------|
| Other income Interest and dividend income Realized (losses) gains on investments | \$ 829,936 (3,212) | \$ 1,063,313 692,229 |
| | \$ 826,724 | \$ 1,755,542 |

Note 4 - Fair Value Measurements

Assets and liabilities measured at fair value on a recurring basis at March 31, 2014 and June 30, 2013 are as follows:

| | 2014 | 2013 |
|--|---------------------------------------|---------------------------------------|
| Fixed income and equity mutual funds Fixed income government bonds Beneficial interest in remainder and perpetual trusts | \$ 47,099,199 225,838 2,222,885 | \$ 40,701,863 171,928 2,093,160 |
| Total assets | \$ 49,547,922 | \$ 42,966,951 |

The related fair values of these assets and liabilities are determined as follows:

| | Quoted Prices in Active Markets (Level 1) | Other Observable Inputs (Level 2) | Unobservable Inputs (Level 3) |
|--|---|--|-------------------------------------|
| March 31, 2014 Fixed income and equity mutual funds Fixed income government bonds Beneficial interest in remainder and | \$ 47,099,199 | \$ - 225,838 | \$ - - |
| perpetual trusts | - _ | | 2,222,885 |
| Total assets | \$ 47,099,199 | \$ 225,838 | \$ 2,222,885 |
| June 30, 2013 Fixed income and equity mutual funds Fixed income government bonds Beneficial interest in remainder and | \$ 40,701,863 | \$ - 171,928 | \$ - - |
| perpetual trusts | | | 2,093,160 |
| Total assets | \$ 40,701,863 | \$ 171,928 | \$ 2,093,160 |

The fair value for fixed income mutual funds and equity mutual funds are determined by reference to quoted market prices. The fair value of fixed income government bonds are valued based on level 2 inputs for similar securities with comparable terms. The beneficial interest in trusts is valued by discounting the market values of the underlying assets and the cash flows using the terms of the trust agreements and a risk-adjusted discount rate for the beneficial interest in remainder trusts.

Following is a reconciliation of activity for the nine months ended March 31, 2014 and the year ended June 30, 2013, for assets and liabilities measured at fair value based upon significant unobservable (non-market) information.

| | Beneficial Interest Trusts |
|---|--------------------------------------|
| Balance, July 1, 2012 | \$ 1,921,977 |
| Adjustments to fair market value - unrealized gains | 171,183 |
| Balance, July 1, 2013 | 2,093,160 |
| Adjustments to fair market value - unrealized gains | 129,725 |
| Balance, March 31, 2014 | \$ 2,222,885 |

The Organization considers the carrying amount of significant classes of financial instruments on the balance sheets, including cash and cash equivalents, receivables, other assets, accounts payable, and accrued expenses to be reasonable estimates of fair value due to their length of maturity at March 31, 2014 and June 30, 2013.

The Hospital and Schools' fixed rate Series 2007 bonds have a carrying amount that differs from its estimated fair value. The fair value of the Organization's Series 2007 bonds is determined by references to trading activity of the underlying bonds. The carrying value of the Series 2007 bonds is \$7,055,367 and \$7,353,031 as of March 31, 2014 and June 30, 2013. The fair value of the Series 2007 bonds is \$7,172,538 and \$7,446,415 as of March 31, 2014 and June 30, 2013, respectively.

Note 5 - Property and Equipment

A summary of property and equipment at March 31, 2014 and June 30, 2013 follows:

| | 2014 | | 2013 | |
|--|---------------------------------------|---------------------------------------|---------------------------------------|---------------------------------------|
| | Cost | Accumulated Depreciation | Cost | Accumulated Depreciation |
| Land and land improvements Buildings and fixed equipment Major movable equipment | \$ 619,339 20,435,521 6,784,180 | \$ 145,900 12,418,198 5,075,048 | \$ 614,622 19,908,511 6,798,016 | \$ 141,083 11,846,201 4,809,782 |

| Net property and equipment | | \$ 10,199,894 | | \$ 10,524,083 |

Note 6 - Endowments

The Foundation's endowment consists of funds established for the benefit of Children's Care Hospital and School. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Foundation's Board of Directors has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original donor restricted endowment fund gift as of the date received absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) changes in the fair value of the beneficial interest in perpetual trusts. The undistributed earnings of the donor-restricted endowment fund is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1. The duration and preservation of the fund
- 2. The purpose of the Foundation and the donor-restricted endowment fund
- 3. General economic conditions
- 4. The possible effect of inflation and deflation
- 5. The expected total return from income and the appreciation of investments
- 6. Other resources of the Foundation
- 7. The investment policies of the Foundation.

Changes in endowment net assets for the nine months ended March 31, 2014 and the year ended June 30, 2013 are as follows:

| | 2014 | | | | | | | |
|--|------|---------------------------|---------------------------|------------------|---------------------------|---------------------------|----------|--|

Return Objectives and Risk Parameters

The Foundation has adopted investment and spending policies that attempt to provide a predictable stream of income for the funding of programs supported by its endowment. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that seeks both preservation of capital and growth of capital on a real return basis. Asset allocation guidelines have been established for the endowment based on liquidity needs and time horizons. The Foundation undergoes a quarterly assessment for possible rebalancing of the asset allocation. If the asset allocation of the major asset class (equity or fixed income) varies by more than 5% relative to its long-term target, the Foundation will advise and request the Investment Committee Chair to review and approve rebalancing to the approved targets. During the course of a complete market cycle, the total fund return objective shall be to achieve a return equal to capital market returns with a similarly weighted asset allocation with low administrative expenses. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Foundation relies on a passive management strategy in which investment returns are achieved primarily through low-cost, diversified index mutual funds. The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Foundation's policy of appropriating for distribution each year is approved by the Board of Directors. The Foundation's investment portfolio is maintained primarily to provide for current and future distributions. The annual spending rate is currently 4.0% of the most recent 16 quarter rolling average investment value through the calendar year-end preceding the fiscal year in which the appropriation is made and the distribution is planned.

Note 7 - Line of Credit

The Hospital and School has a \$675,000 revolving line of credit, which was unused at March 31, 2014. The line carries a variable rate of interest, matures on April 1, 2015 and requires monthly interest payments on any outstanding balance.

Note 8 - Long-Term Debt

Long-term debt consists of:

| | 2014 | 2013 |
|--|------------------------|------------------------|

Children's Care Hospital and School and Children's Care Foundation

Notes to Consolidated Financial Statements March 31, 2014 and June 30, 2013

The bonds are secured by a first mortgage lien on the Hospital and School's facilities subject to certain permitted encumbrances, a security interest in its gross receipts, and a pledge of the Foundation's investments in an amount equal to the principal amount of the bonds outstanding.

Under the terms of the bond agreement, the Hospital and School is required to maintain certain deposits with a trustee. Such deposits are included with assets limited as to use in the consolidated financial statements. Assets that are required for obligations classified as current liabilities are reported in current assets. The loan agreement also places limits on the incurrence of additional borrowings and requires that the Hospital and School satisfy certain measures of financial performance.

Note 9 - Leases

Voors Ending April 20

The Organization leases certain equipment and office space under non-cancelable long-term lease agreements. Total lease expense for the nine months ended March 31, 2014 and the year ended June 30, 2013 for all operating leases was \$260,856 and \$337,082, respectively. Minimum future lease payments for the operating leases are as follows:

| 2015 2016 2017 | 273,182 278,648 57,758 |
|------------------------------|------------------------------|
| Total minimum lease payments | \$ 609,588 |

Note 10 - Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are available for the following purposes at March 31, 2014 and June 30, 2013:

| | | 2014 | 2013 |
|---|---------|----------------------|----------------------------|
| Restricted for various children's projects and programs Beneficial interest in remainder trusts | \$ | 407,068 1,802,935 | \$ 338,709 1,699,723 |
| | \$ | 2,210,003 | \$ 2,038,432 |
| Permanently restricted net assets at March 31, 2014 and June 30, 2013 are | restric | eted as follows: | |
| | | 2014 | 2013 |
| Investments to be held in perpetuity, the income from which is expendable for the use in the Hospital and School's operations or otherwise as directed by the donor | \$ | 6,327,569 | \$ 6,127,051 |

Net assets released from restrictions of \$162,974 and \$358,971 for the nine months ended March 31, 2014 and the year ended June 30, 2013, respectively, were used to support various children's projects and programs.

Note 11 - Retirement Plans

The Hospital and School participates in a state sponsored multi-employer defined benefit plan for all employees who hold a teaching certificate and meet plan enrollment qualifications and also provides a group tax deferred annuity program for all non-teacher employees who meet plan enrollment qualifications. The Foundation's employees are covered by the The Hospital and School's retirement plans. The Hospital and School contributes 1% of each eligible employee's salary and made total contributions of \$88,994 and \$121,577 for the nine months ended March 31, 2014 and the year ended June 30, 2013, respectively.

Note 12 - Commitments and Contingencies

Malpractice Insurance

The Hospital and School has malpractice insurance coverage to provide protection for professional liability losses on a claims-made basis subject to a limit of \$6 million per claim and an annual aggregate limit of \$6 million. Should the claims-made policy not be renewed or replaced with equivalent insurance, claims based on occurrences during its term, but reported subsequently, would be uninsured unless tail insurance was purchased for the estimated liability.

IT Maintenance and Support

The Hospital and School has entered into an agreement to receive certain information technology support services through April 2019. Payments for services increase annually by a percentage equal to the annual increase in the Consumer Price Index. The minimum future payments for services, based on January 2014 pricing, are as follows:

| Years Ending April 30, | |
|------------------------|--------------|
| 2015 | \$ 279,656 |
| 2016 | 279,656 |
| 2017 | 279,656 |
| 2018 | 279,656 |
| 2019 | 233,047 |
| | \$ 1,351,671 |

Note 13 - Concentrations of Credit Risk

The Hospital and School grants credit without collateral to its patients and residents, most of who are insured under third-party payor agreements. The mix of receivables from third-party payors, patients, and residents at March 31, 2014 and June 30, 2013 was as follows:

| | 2014 | 2013 |
|----------------------|------|------|
| Medicaid | 51% | 52% |
| Private pay | 34% | 28% |
| Commercial insurance | 9% | 13% |
| Blue Cross | 5% | 6% |
| Medicare | 1% | 1% |
| | 100% | 100% |

The Organization's cash balances are maintained in various bank deposit accounts. At times, amounts on deposit may exceed federally-insured limits. To date, the Organization has not experienced losses on any of these accounts.

Note 14 - Functional Expenses

The Organization provides health care and educational services to children within its geographic location. Expenses related to providing these services are as follows:

| | 2014 | 2013 |
|---|--------------------------------------|---------------------------------------|
| Health care and educational services General and administrative Fundraising | \$ 18,393,810 2,717,252 76,940 | \$ 23,721,692 3,356,752 115,973 |
| | \$ 21,188,002 | \$ 27,194,417 |

Children's Care Hospital and School and Children's Care Foundation Notes to Consolidated Financial Statements March 31, 2014 and June 30, 2013

Note 15 - Subsequent Events

The Organization has evaluated subsequent events through July 29, 2014, the date which these financial statements were available to be issued.

Effective April 1, 2014 the Hospital and School and South Dakota Achieve (SDA), an unrelated South Dakota non-profit corporation, joined to form an affiliation called LifeScape. The Hospital and School serves youth with disabilities, and SDA serves adults with disabilities. Together the affiliation between the two organizations will offer support for all individuals with disabilities by offering a large range of programs and services to help people with mild to significant disabilities reach their fullest potential in all aspects of their lives.

There were no material transactions between the Hospital and School and SDA prior to the affiliation. As a result of the affiliation, the net book value of all major classes of assets, liabilities, and net assets of the Hospital and School and SDA were combined. As of March 31, 2014 SDA had total assets and liabilities of \$24,486,041 and \$4,766,523, respectively, and total unrestricted, temporarily restricted, and permanently restricted net assets of \$16,964,474, \$1,098,683, and \$1,656,361, respectively.
