Return Reference	Explanation
Part II, Section C, line 17a Facts and Circumstances Test	The organization is currently working on expanding it's outreach to the local community to broaden the public support base and provide additional grants to assist local charitable organizations. This is being accomplished through expanded public relations programs and direct mail campaigns. Because of the substantial size of the endowment funds and resulting investment revenues it is expected these changes will take several years to bring the public support percentage up to 33-1/3%. A change was made to prior year amounts to change the treatment of the administrative fee to bring in accordance with the current year presentation.
