Schedule I, Part I, Line 2	Goucher College's grant funds are limited to need-based and merit-based financial assistance for attendance at the college. Goucher College's comprehensive program of need-based and merit-based financial assistance is managed by the Office of Student Financial Aid. As a member of the College Board and in keeping with the principles and practices of the College Scholarship Service, financial aid is awarded to properly qualified candidates on the basis of the financial need of students and their families. Financial need is determined by subtracting the Expected Family Contribution - as calculated on the Free Application for Federal Student Aid (FAFSA) and the Profile Form of the College Scholarship Service - from the student's total cost of attendance. Financial aid is awarded for one year only and must be renewed annually. Need-based aid is renewed to continuing students who demonstrate need and who are making satisfactory progress toward their degrees. Institutional merit-based scholarship requirements vary depending on the award. Compliance with those requirements are also overseen by the Office of Student Financial Aid.

Line 11b

After review by the Audit and Governance Committee, the Form 990, excluding Schedule B (Contributor Information), and Form 990T were distributed electronically to the Board of Trustees on April 15, 2015 for a period of review and comment lasting 7 days. Due to the sensitive nature of the information contained therein, Schedule B was made available only to members of the Audit and Governance Committee and Executive Committee upon request. At the conclusion of the periods of comment and review, a meeting of the Audit and Governance Committee of the Board of Trustees was convened to review and revise (if necessary) the Forms 990 and 990T prior to recommending it for approval to the Executive Committee. The forms were approved for filing by the Executive Committee of the Board of Trustees on May 5, 2015.

Return Reference	Explanation
Form 990, Part VI, Section B, Line 12c	Every trustee, officer, and key employee is provided a copy of the Conflict of Interest Policy each spring, and required to complete an annual disclosure form reporting any actual or potential conflicts of interest. General Counsel of the college reviews the disclosure forms and reports any disclosures to the Audit & Governance Committee of the Board of Trustees. Committee members then determine what, if any, action should be taken as to each disclosure, and such actions are implemented by the General Counsel. The policy directs the Committee to review and update the list of key employees, and the policy itself is reviewed on a regular basis and revised as necessary.

Return Reference	Explanation
Form 990, Part VI, Section B, Line 15	Early each fall the College President distributes to the Board of Trustees the President's Goals and Objectives ("Goals and Objectives") for the current year. Each spring Goucher receives data from the College and University Professional Association (CUPA) on compensation at comparable institutions, including Goucher's peer group, other local colleges, and prospective overlap institutions. The Human Resources Director prepares these figures for review by the College President and by the Compensation Committee of the Board. In addition, each spring the Chair of the Board asks Board members to supply the Board Chair or the Chair of the Compensation Committee with any comments a Board member may have on the President's performance with respect to the President's Goals and Objectives. After reviewing all of these materials, the Compensation Committee meets with the President to review compensation recommendations for Senior Staff and evaluate the President's performance. The Compensation Committee's role with respect to compensation for Senior Staff is to determine whether any recommendation from the President includes excess benefits. The Compensation Committee then reviews with the President the President's performance with respect to Goals and Objectives, and then meets in executive session to determine its recommendation. The Compensation Committee Chair provides the General Counsel of the College with a confidential report of the deliberations of the Compensation Committee and the Executive Committee and of the Executive Committee's action. This report includes the CUPA comparability data on which the final determinations were based.
