Name: Landen Family Foundation Inc

EIN: 56-2407331

Explanation: The foundation submits the following information in support of its application of the provisions of IRC Sec 4942(a) to the undistributed income of 2012: The custodian of the assets had not correctly applied the proper basis in stock holdings that were donated at the date of death of a donor. Therefore, after the initial return was filed, the brokerage firm restated the adjusted basis of the stock and an amended return was filed. This did not occur until after the year end of when the initial minimum distribution was required. All of the asset values have been updated and are reported in this filing.
