Form 990, Part III, line 2	In October 2014, United Arts took over two programs for the Arts and Cultural Alliance of Central Florida - their Events Website and Community Database. The events website is an arts and culture based site providing information on arts and cultural happenings throughout the seven-county Central Florida region - Brevard, Lake, Orange, Osceola, Polk, Seminole and Volusia counties. Formerly called RedChairProject.com, the events website was rebranded as OrlandoAtPlay.com and relaunched on June 24, 2014, under the national Artsopolis platform. The site's offerings have also been expanded to include dining, farmers markets, nature experiences and public art in an effort to grow the site into a one-stop shop for anyone looking for something to do in their free time. The Community Database is a central database of donor and patron data. Individual data is kept private, but participating arts and cultural organizations can study aggregate data on donor and patron habits and work together to increase participation in the arts. In June 2014, United Arts was awarded a \$300,000 grant to fund creative industry workforce development in Evans High School in Orange County. Collaborating with Orange County Public Schools, Valencia College, University of Central Florida and Children's Home Society, the program will provide vocational training for students looking for careers in back of house creative arts such as set design, lighting, production and writing. The grant will fund programming in FY15 and FY16.
