Return Reference	Explanation
Organization's FIN 48 Financial Statement Footnote	The Organization accounts for uncertainty in income taxes in accordance with GAAP, which requires recognition in the consolidated financial statements of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more likely than not threshold, the amount recognized in the consolidated financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority. The Organization had no material unrecognized tax benefits and no adjustments to its consolidated financial position, activities or cash flows were required as of June 30, 2014 and 2013. The Organization does not expect that unrecognized tax benefits will increase within the next twelve months. The Organization's tax returns for the years ended June 30, 2011 through 2013 remain subject to examination by major tax jurisdictions. The Organization recognizes accrued interest and penalties, if any, related to uncertain tax positions as income tax expense.
