**Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds**

The Organization gives assistance to victims of domestic violence. These victims and their families are referred to the Shelter in one of two ways most of the time. First, the police will call the Organization when they have received a call or discover domestic violence taking place and the Police will tell them they are bringing someone by for assistance. The second way people are admitted is by calling the Crisis Phone Line which is operated by the Organization. When someone calls in with a legitimate need they are told to come to the Shelter where housing, food, clothing, and other needs can be met.
