As of the close of the accounting period, Guitars in the Classroom did not have material uncertain tax liability positions. However, during the accounting period, a single unsolicited land donation was received at a book value of \$ 1,849,000. Sales of these properties are donor-restricted with selling price thresholds until 1/15/2017. Property tax liability began accruing on 1/1/2014 at a rate of approximately \$ 12,354 annually. If the organization does not remit these property taxes, the properties may potentially be foreclosed upon and the net proceeds are likely to be substantially less than the current book value. The organization will allocate the net proceeds of all parcels sold to the payment of property taxes due, but there is no guarantee the pace of sales proceeds will prevent foreclosure in the future.
