Explanation: This is the first time I've done a 990-EZ. I've always filed a 990-N before (on time). This was much more involved than I had expected and greatly exceeded the time I had set aside for it. PHOENIX couldn't afford to pay someone with expertise in this area at this time. And I am the only administrator with reasonable access to the information to compile the return. I have been very snowed with other urgent projects (two special events in the fall; orientation and supervision of a new VISTA volunteer; reporting for three grants; and an urgent grant deadline - in addition to regular administrative responsibilities and teaching at the prison). Additionally, my colleague has been injured and I've had to take over a few of his responsibilities while he recuperates. I apologize for the delay.
