Return Reference	Explanation
Health or Social Club Dues	Schedule J, Part I, Line 1a Monthly club membership fees for the President & CEO of JA USA is part of the benefits provided to this position. These fees are included as taxable income each year on their W-2.
Description of Non-Fixed Payments	Schedule J, Part I, Line 7 There are two key components of the Executive Compensation Philosophy of JA USA: 1. Reward for performance; 2. Provide reasonable and competitive pay packages with those offered to leaders of organizations comparable to JA USA in terms of size, complexity, and mission impact. As part of the "reward for performance," the Executive Compensation Subcommittee (the Committee) of the Board of Governors has adopted the Management Incentive Compensation Plan (MIC). MIC is intended to stimulate and reward results and achievement necessary to accomplish the multiple objectives of JA USA's strategic plan. The MIC Plan is designed to: a) Motivate growth in total revenue and program impact to enhance services to the community; b) Link accomplishment of the organization's mission and objectives with the compensation of the organization's managers; c) Control costs by providing variable compensation based on performance to enhance affordability and offering a competitive incentive and total cash compensation program; d) Enhance the focus, motivation, and retention of key organizational managers. In setting the annual incentive compensation opportunities for the MIC for each executive, the Committee targets the median of the comparable market data for that executive's position for target performance and the upper quartile of the comparable market data for that executive's position for superior performance. There is a cap on the amount of incentive that any executive can earn from the MIC. The Committee uses discretion in determining the level of achievement of certain performance measurements. The Committee also annually examines the comparable market data for these positions, following the three-step governance process described in the regulations to Section 4958 on Intermediate Sanctions to establish the presumption of reasonable compensation. The Governors may, in their sole discretion, and at any time, elect to amend, suspend, or terminate the Plan.
