Return Reference	Explanation
Part X FIN48 Footnote	Accounting principles generally accepted in the United States of America provide guidance related to uncertainties in income taxes recognized in an enterprise's financial statements and provides guidance on financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return The Organization has evaluated state, federal and foreign tax positions taken in the current year, for which the statute of limitations is still open, and determined that it is more-likely-than-not that each position would be sustained upon examination. Accordingly, management has determined that it does not have any unrecognized tax liabilities or benefits for the year ended June 30, 2014 that need to be recognized in the financial statements
