Facts And Circumstances Test
The organization is working toward better coordination with the related local library system to improve overall fundraising for both organizations. This transitional phase was begun in 2011 and the organization continues to work toward a higher public support percentage. 2013-14 saw some declines in general contributions but saw increases in revenues as a result of a fundraising event held for the first time. This event engaged individuals who might not otherwise be familiar with the organization, and the intent is to make those individuals ongoing contributors and increase the public support base.
