Return Reference	Explanation
Part X FIN48 Footnote	The organization accounts for income taxes under ASC Topic 740, income taxes, which requires the organization to evaluate its tax positions and recognize liability for any positions that would not be considered "more likely than not" to be upheld under a tax authority examination. If such issues exist, the organization's policy will be to recognize any tax liability so recorded, including applicable interest and penalties, as a component of income tax expense. The organization has reviewed its tax positions and determined that an accrual for uncertain income tax positions and adjustments to the tax provision was not necessary. With few exceptions, the organization is no longer subject to U.S. federal and state income tax examinations for fiscal years before 2010 and 2009, respectively.
