Form 990, Part VI, Section B, line 15	<p>The Trustee Compensation Committee utilizes benchmark salary data from comparable higher education institution groups for the executive management positions of President, Vice Presidents, officers, key employees, and disqualified individuals. Compensation data is gathered of peer group institutions, which is available from subscribed survey data sources. The salary medians of the comparable education institution groups will inform the committee and be used as guides. The committee will also review salary in relation to local and national inflation measures, individual performance, as evidenced by the annual written performance evaluations, and the individual's length of service in the position. Detailed analyzed data is presented to the committee for review and discussion.
