Part V Supplemental Information

Provide additional information for responses to questions on Schedule L (see instructions).

Part II- On March 1, 2014 Douglas Young a member of the Charlotte Curling Association and a substantial contributor donated \$200,000 to the Charlotte Curling Association. On March 4, 2014 he provided the Association an additional \$200,000 as a non-interest bearing loan to be repaid in 84 equal monthly installments of \$2,380.95 commencing November 1, 2024. The contribution and loan were used as a downpayment on the leasehold improvements in a newly constructed building intended to serve as a long-term curling facility of the Association.

Part IV-The Association paid an affiliated organization of David DeFehr, a member of the Charlotte Curling Association and a substantial contributor, \$400,000 comprised of two payments of \$200,000 each as installment payments on the construction of leasehold improvements in a building Mr. DeFehr's affiliated organization was constructing. The building remained under construction at August 31, 2014 and was completed in November 2014. Upon completion of the building the Association entered into a ten-year agreement with Mr. DeFehr's organization to lease the entire facility and to finance the portion of the leasehold improvements that exceeded the \$400,000 advance. The building was constructed for the express purpose of serving as the Association's dedicated curling facility in Charlotte, NC and the agreement includes an Association option to purchase the building at any time within the ten-year lease term.

Both the Board of Directors of the Association and Mr. DeFehr believe that the lease rate, financing rate and purchase option were all executed at terms very favorable to the Association, at or below market rates for an organization without a substantial financial history.
