Explaination of why information was not on original 990.

Because we wanted to discontinue using handwritten forms we updated our software. The software completed the Schedule O on plain paper. In prior years question 11(b), 12 (a), 12 (b) and 12 (c) were not included on Schedule O. As a matter of effeciency I followed the procedures from prior years. I have now updated the procedures to include the additional questions.
