	The Hamilton Mill has set forth on a new vision for 2013 and beyond. With a focused mission on high-growth, innovative business models, The Hamilton Mill now plays a strategic role in the economic development of Hamilton and the surrounding region. Emboldened by several new partnerships and alliances, The Hamilton Mill is now an integral part of the Greater Cincinnati entrepreneurial ecosystem. The Hamilton Mill focuses on the city's assets, such as green energy, water, fiber-optics and a rich manufacturing tradition, to attract high-growth, high-potential startup companies, with a special focus on clean technologies and advanced manufacturing. Ideally situated between Cincinnati and Dayton, The Hamilton Mill serves as a central location in Southwestern Ohio offering resources and technical expertise that are critical to the success of startups. Hamilton Mills numerous strategic partnerships will help emerging companies gain access to mentors, shared-space/offices, professional assistance, capital and other services that will accelerate their success. Accomplishing these goals will lead to a more sustainable, regional innovation ecosystem as well as a distinct and powerful economic development strategy that is unique to the City of Hamilton. The Hamilton Mill works with startups in advanced manufacturing, clean technology and software applications. Our approach is different, because this is not simply another incubator, this is a whole City dedicated to growing the next Google. We firmly believe this approach will be a harbinger for future entrepreneurial innovation and revitalization efforts in other cities and were on the cutting edge. Our approach to incubating companies is fundamentally different from the traditional incubator approach. It is not merely another duplicated or me too incubator. The Hamilton Mill connects viable high growth startups in advanced manufacturing, clean-technology, and water based solutions with Hamilton's award winning utilities department, a utilities department that will be close to 100% renewable in 2015. This is our City as a Lab approach. For companies in this space this is a tremendous opportunity to test their solutions with commercial and residential utility customers. In fact, the Hamilton Mill and the City of Hamilton were recognized in 2014 by the International Council for Economic Development and Ohio Economic Development Association for its unique public-private partnership and innovative approach to economic development. This model can be replicated in other cities that value these principles. In sum, The Hamilton Mill is successful because of the unique approach to the startup community. The Mills approach is entrepreneurial, both in its formulation and implementation, and this is a unique approach by City economic development officials.
