Return Reference	Explanation
Part X, Line 2	The Foundation has a tax determination letter from the Internal Revenue Service stating that it qualifies under the provision of the applicable Internal Revenue Code and is exempt from federal income taxes. The Code provides for taxation of unrelated business income under certain circumstances. The Foundation has no unrelated business income. Accordingly, no provision for income taxes has been made in the combined financial statements. The Foundation has adopted the income tax standard regarding the recognition and measurement of uncertain tax positions, which clarifies the accounting for uncertainty in income taxes recognized in an organization's financial statement recognition and measurement of tax positions taken or expected to be taken on a tax return that are not certain to be realized. With few exceptions, the Foundation is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2011.
