Expanding BN China's Reach in Shunping County grant to BN China \$13,400

Part I Other expenses \$521: includes bank fees/charges and state filing fees

Part III Exempt purpose: Enable people affected by mental disorders, particularly those in poor countries of the world, to access effective

mental health services, and to live and work successfully in their own communities. All grants awarded were consistent with this purpose

and fit within our stated criteria and activity areas (capacity building, community mental health, sustainable livelihoods, research/policy,

and management/ administration). The Kenya farmer grants supported services for 500 small holder coffee farmers and their families.

The grants to BN UK provide resources for BN UK to recruit and train partner organizations that can be developed as BasicNeeds'

franchisees, allowing broad scale expansion of the work, reaching thousands of people in desperate need of mental health services in

developing countries. Similarly, the grant to support BasicNeeds' work in Shunping County, China, is designed to create partnerships

that will deepen the impact of the BN Model and consolidate gains for greater long-term sustainability. The grant is being used to increase

the program's reach to all 10 townships. It will involve training government hospital doctors and nurses in mental illness so they can

run outreach mental health clinics, serving thousands of people. The BN Lao-PDR psychiatric training grant will train health care providers

in Psychiatry, enabling them to serve the needs of people with mental illness.
