Sisters of Mary of the Presentation Health System facilitates the management and operations of four related hospitals, a home health agency, and five related long-term care facilities which are located in North Dakota and Illinois. This includes fiscal and administrative responsibilities. We are a Catholic health system which in its diversity of programs and facilities consists of people who care and believe they can make a difference. Our concern is for all people, but the poor and elderly have a special claim on us. From our limited resources we provide services characterized by excellence, compassion, and personalized concern. Because we care, we focus on the needs of the whole person, physical, spiritual, psychological, and social. Because we cannot do everything for everyone, we collaborate with others in order to meet the needs of the people in the areas where we serve. We live in a world of change and challenges and we know this will continue into the future. We are people of hope and commitment. The rich diversity of people, professions, skills, talents, and gifts enables us to continue the healing ministry of Jesus.
