Part X Line 48 Accounting principles generally accepted in the U.S. require management to

evaluate tax positions taken by the organization and if applicable to recognize a tax

liability (asset) if the organization has taken an uncertain position that more likely

than not would be sustained upon examination by the IRS. Management has analyzed the tax

positions taken by the organization and has concluded that as of September 30, 2014, there

are no uncertain positions taken or expected to be taken that would require recognition

of a liability (or asset) or disclosure in the financial statements
