Return Reference	Explanation
Part X, Line 2	Management is required to evaluate tax positions taken by the Fund and to recognize a tax liability if the Fund has taken an uncertain tax position that probably would not be sustained upon examination by taxing authorities. The Fund believes that it has appropriate support for any tax positions taken and that none would require recognition of a liability or disclosure in the financial statements. If incurred, interest and penalties associated with uncertain tax positions would be recorded in the period assessed. No interest or penalties have been assessed in 2014. The three previous tax years (years ended September 30, 2011 through 2013) remain subject to examination by the IRS, generally for three years after initial filing.
