Part IV Line 2a Generally accepted accounting principles require management to evaluate

uncertain tax positions taken by the Foundation. The financial statement effects of a tax

position are recognized when the position is more likely than not, based on the technical

merits, to be sustained upon examination by the IRS. Management has analyzed the tax

positions taken by the Foundation, and has concluded that as of November 30, 2014 and

2013, there are no uncertain positions taken or expected to be taken. The Foundation has

recognized no interest or penalties related to uncertain tax positions. The foundation is

subject to routine audits by taxing jurisdictions; however, there are no audits for any

tax periods in progress. The Foundation's tax returns are subject to review and

examination by federal and state authorities. The tax returns for the years 2011 through

2013 are open to examination by federal and state authorities.
