The Anschutz Family Foundation supports Colorado nonprofit organizations that assist people to help themselves while nurturing and preserving their self-respect. The Foundation encourages endeavors that strengthen families and communities and advance individuals to become productive and responsible citizens. There is a special interest in self-sufficiency, community development, and programs aimed at the economically disadvantaged, the young, the elderly, and the disabled. The Foundation is also dedicated to funding efforts in rural Colorado.

AREAS OF INTEREST

The Foundation's mission is purposely broad, allowing it to support the work of many nonprofits that focus on improving the quality of life for individuals and communities. The bulk of the Foundation's grants are made in categories most directly related to the stated goals of the Foundation: *improving the lives of individuals, promoting self-sufficiency, and community development.*

TYPES OF GRANTS

Recognizing that organizational infrastructure is a necessity, the Foundation welcomes requests for general operating support. The Foundation also accepts requests for specific program, and occasionally issues a challenge grant instead of an outright grant. This is done when the Foundation sees both a need and an opportunity for the organization to expand its funding base. See the "Resources" section of our website, www.anschutzfamilyfoundation.org, for additional information on challenge grants.

GEOGRAPHIC FOCUS

The Foundation aims for an even distribution of grants between organizations serving in Colorado's rural and urban communities.

GRANT SIZE

Grants are typically in the \$5,000 to \$10,000 range, but generally no greater than ten percent of an organization's annual budget.

WHAT WE DON'T FUND

Generally, the foundation does not support:

- Grants to individuals
- Programs outside of Colorado
- Graduate and post-graduate research
- Education in general
- Religious organizations for religious purposes
- Special events, promotions, or conferences
- Candidates for political office
- Endowments
- Debt reduction
- Multi-year grants
- Health specific issues
- Arts and culture
- Policy, advocacy, or research
- Start-up organizations
- Organizations that are in transition with their leadership
- Capital campaigns
(On rare occasions, the Foundation will fund capital campaigns for organizations located in rural Colorado whose mission closely aligns with the Foundation's interest. Applicants are advised to submit a one-page letter of inquiry prior to the submission of a grant for this purpose.)
- Type III Supporting Organizations under IRS Section 509(a)(3)
