Return Reference	Explanation
Part X, Line 2	The Company is exempt from income taxes on related business income under Section 501(c)(3) of the Internal Revenue Code. Generations is treated as a pass-through entity for tax purposes. MPCHA, also treated as a pass-through entity for tax purposes, was inactive in 2014. MPCHP, a for-profit entity subject to income taxes, was inactive in 2014. MPCHP follows the asset and liability method of accounting for income taxes whereby deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. At December 31, 2014, there are no significant deferred tax assets or liabilities. The Company and MPCHP could be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board (FASB), assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position. Estimated interest and penalties, if applicable, related to uncertain tax positions are included as a component of income tax expense. The Company has evaluated the positions taken on its filed tax returns. The Company has concluded no uncertain income tax positions exist at December 31, 2014. The Company's tax years from 2011 through 2014 are open and subject to examination.

Return Reference	Explanation
Form 990, Part I, Line 1	The mission of Martin's Point Health Care is to exemplify and inspire health care and service excellence through leadership, education, and innovation

Return Reference	Explanation	
	Form 990, Part III, Line 4a-c	Not-for-Profit Narrative Statement Martin's Point Health Care is a progressive, not-for-profit health care organization, based in Portland, Maine, that is dedicated to providing affordable, high-quality health care in the communities we serve. At Martin's Point, our primary goal is to help our patients and members live healthier lives by providing them with the best possible health care experience, offering high-quality health care and treating our customers with warmth and concern. We help our patients and members take an active role in making good health decisions which lead to happier and healthier lives. This work is achieved in three ways: 1) By providing high-quality primary care and select specialty and ancillary services to patients at eight locations throughout Maine and one location in New Hampshire, including onsite pharmacy, radiology, and lab services at most locations, 2) By administering Military and Medicare Advantage health insurance plans, and 3) By making positive improvements that help transform the health care system in the communities we serve and that can also serve as models of improved care beyond our communities, statewide, and nationally. PROVIDING HIGH-QUALITY PRIMARY CARE In 2014, Martin's Point Health Care - Served 76,400 patients through family medicine, pediatrics, internal medicine, cardiology, eye care, sports medicine, cosmetic dermatology, physical therapy, and more. Many patients were also able to take advantage of onsite Radiology, Pharmacy, and Laboratory services - Built a new health care center in Gorham, Maine in partnership with SMRT, a nationally recognized architectural firm, focusing the design and flow on patient experience. The health care center hosts a "community room" which can be used for community and educational events free of charge - Continued integrating behavioral health services at five of our locations (Bangor, Brunswick Cook's Corner, Brunswick Bowdoin, Portland, and South Portland) - Continued work on our model of care where physicians and other medical staff are grouped into "care teams." Through this team set-up, they are able to more effectively work together to anticipate patients' needs, better coordinate their care, and help create better health outcomes and experiences - Provided \$196,800 of medical services free-of-charge to patients with insufficient coverage. PROVIDING HEALTH PLANS FOR MEMBERS Martin's Point offers two health care plans for select groups throughout the Northeast. Our plan members receive comprehensive benefits and quality care, and they consistently give us high ratings for exemplary service and satisfaction. In 2014, Martin's Point Health Care - Served as one of six contracted health plan administrators to the Department of Defense of the US Family Health Plan for military beneficiaries. Through this plan, Martin's Point serves families of active-duty personnel, including activated National Guard and Reserve, military retirees and their families across Northern New England, Upstate New York and Northern Pennsylvania. In 2014, our US Family Health Plan served 44,300 members. In over 30 years of providing this TRICARE Prime option, we consistently have earned high marks for customer service and member satisfaction. In 2014, the National Committee for Quality Assurance (NCQA) rated private commercial HMO plans, where our US Family Health Plan ranked #9 in Maine and #45 out of 507, nationwide - Provided a Medicare Advantage insurance plan, which served over 30,860 Maine residents in all 16 counties, as well as 660 residents in two New Hampshire counties. Our Prime (HMO-POS) and Value (PPO) plan was recognized as the only plan in New England to receive an overall health plan rating of 5 stars (the highest possible) from the Centers of Medicare and Medicaid Services (CMS). COMMITTED TO TRANSFORMING THE HEALTH CARE SYSTEM Martin's Point is leading the way to transforming the health care system in the communities we serve and beyond. We are dedicated to participating in, and creating opportunities to share innovative solutions with others towards our common goal of creating a sustainable, quality health care delivery system, both in Maine and throughout the nation. Our work is driven by three principles: 1) to improve the experience of care, 2) to improve health outcomes, and 3) to reduce overall costs. To achieve these goals, we are working to make systemic changes to the way primary care is delivered and coordinated. In 2014, Martin's Point Health Care - Served as an active participant in the Maine State Regional Health Information Exchange, HealthInfoNet, which holds vital patient information for almost all Maine residents and is connected to the majority of health care facilities in Maine - Continued to enhance our Primary Care Comprehensive Payment model to encourage and reward quality care and a better health care experience - Continued to work with the Institute for Healthcare Improvement on their Triple Aim.
