Return Reference	Explanation
Form 990, Schedule D, Part X	fin48 The Association follows the provisions of Accounting Standards Codification ("ASC") 740, Income Taxes. ASC 740-10 clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. These requirements stipulate that the tax effects from an uncertain tax position can be recognized in the consolidated financial statements only if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. The Association is exempt from federal income taxation by virtue of being an organization described in Section 501(c)(6) of the Internal Revenue Code. Nevertheless, the Association may be subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The tax years ended December 31, 2011, 2012, 2013 and 2014 are still open to audit for both federal and state purposes. As of December 31, 2014 management has determined that there are no significant uncertain tax positions that would require recognition or disclosure in the accompanying consolidated financial statements. 990 Schedule F, Supplemental Information

Return Reference	Explanation
Form 990, Schedule F, Part I	Every year since 2007, GARP has issued a Call for Research Proposals from which 16 research projects have been awarded funding as a part of the GARP Risk Management Research Program. Research projects are selected for funding by a Research Committee of risk management practitioners, academics and researchers. The Research Committee seeks to provide funding for 1 projects offering unique approaches and insights into problems of significance to risk management professionals, 2 projects of particular relevance to current global financial risk management issues and needs, and 3 projects with significant potential for bridging the gap between theory and practice. Upon completion, the authors present their paper at a GARP event. Grants are paid out only after submission of the research papers. No further monitoring is required (once the papers are written and the cash disbursed).
