Serving the Lakes Region since 1956!

Mission: *The promotion and encouragement of scholarships and opportunities for higher education among residents of the Lakes Region.*

Purpose: *To act as a clearing-house to receive scholarship funds of various donors.
To encourage the establishment of additional scholarships.
To screen applications and distribute scholarships to qualifying applicants.*

The Lakes Region Scholarship Foundation, a New Hampshire corporation, is a tax-exempt non-profit organization under section 501(c)3 of the Internal Revenue Code. Contributions to LRSF are tax deductible (as allowed by law) and are personally acknowledged. From 1956 through 2014, a total of \$4,891,820 has been awarded to 4,476 recipients from 512 donors or donor funds (not including the thousands of individual donors to memorial funds, special fundraisers, etc.). In 2014, \$273,550 was awarded to 282 students by 224 donors. Over 70% of the scholarships were generated from earnings on endowment funds established from memorial offerings, specific bequests or special one-time donations. The remaining scholarship funds were raised through our annual appeal to local donors. Civic, community, school, theatrical, and church organizations, as well as many individuals and businesses, graciously respond to our plea. **The Lakes Region Scholarship Foundation is merely the conduit. Our generous donors and volunteer board members deserve the credit for this proud record of helping local students continue their education and fulfill their career goals.**

DONOR PROFILES

We believe it is important for recipients to have some knowledge of their donors and the reasons why the contributions were made or the endowment funds were established. A fund profile is incorporated in the recipient's award packet and students are instructed to send thank-you notes directly to the donors. Privacy of anonymous donors is always respected.

DONORS DAY

Donors are invited to participate in the selection process by recommending recipients of their scholarship funds based on a roster of prescreened and pre-qualified candidates. Donors receive informational, but not confidential, data about the candidates, such as name, address, high school, college major and rating given by the screening committee, to help them make their recommendations. Donors Day is usually held on the last Wednesday (depending on the holiday) in May from 8:00 AM to 6:00 PM. If a donor is not able to participate, their preferences or restrictions are always honored.

APPLICATION GUIDELINES

Applicant Eligibility

Only one application is necessary to apply for all the scholarship funds administered by the Lakes Region Scholarship Foundation (with a few exceptions. John Mullen Essay, Lakes Region Board of Realtors, Annalee Thorndike Art Competitions – see website). Following are general qualifications:

- Graduates of Laconia, Gilford, or Belmont High Schools, which include residents of Laconia, Gilford, Belmont, Gilman and Canterbury, **or**
- Legal residents of Laconia, Gilford, or Belmont, **or**
- Qualification for specific donor preference or requirements. For example, the Elsie McCarthy Willey Scholarship is for nursing (or medical related) students residing in Belknap County. Please check our website for further details, or call 527-3533

Application Deadline & Availability

Completed and properly documented applications are due no later than **April 15th** of each year, along with a \$15.00 non-refundable application fee. A checklist is included to ensure that applicants have properly completed their application and have attached all the necessary forms. Incomplete applications are disqualified.

How to get an Application

- By the end of January, all prior year's applicants should have received an application form for the upcoming year
- Download application from our web site www.lrscholarship.org
- Local high school guidance offices
- Contact the Lakes Region Scholarship Foundation office at 527-3533 or scholarship@metrocast.net

Screening Process

Three trustees screen each application on the basis of financial need, extra-curricular activities, scholastic rating, and theme, as follows

Financial Need is given an alpha rating.

- **A** Greater financial need
- **B** Significant financial need
- **C** Some financial need*
- **D** No perceived financial need*

**A limited number of merit-based awards are also available*

A numerical rating from: 1 (outstanding) to 5 (poor) is given to the following criteria

- **Academic achievement** (high school or college transcripts are required)
- **Extra-curricular activities** (involvement in community, high school, or college activities (including sports), special honors, self-help by employment, savings for college, etc)
- **Theme** (A statement of the student's plans for college, specific educational plans, career goals, and why chosen field of study is meaningful to student)

Each screening team of three trustees meets as a group to review their individual ratings and tally their team's final score for each application. Guidance department representatives are also consulted. The entire board of trustees then meets to evaluate the screening teams' final ratings and guidance recommendations. Unfortunately, we can't guarantee that each applicant will receive a scholarship. However, we do ensure – to the best of our ability – a conscientious, non-discriminatory, confidential and fair assessment of each application.

Amount of Awards

In general, award amounts are determined by the rating given by the screening committee, based on the need of the applicant and the quality of the application, as explained above, and the funds available.

Recipient Notification & Disbursement of Funds

Most students, who are graduating from high school, will be notified at their school's award night or graduation ceremony. All recipients will be notified by the end of June. A College Certification and Request for Disbursement form will be provided to the recipients, which they must present to their college for completion. Upon receipt of the executed form, LRSF will forward a check to the college, to be applied to the student's account and disbursed as half for each semester. For awards of \$300.00 or less, students may send us validation (copy of cancelled checks or receipts) that they have paid college-related expenses, such as tuition, books, supplies or equipment, and a check will be forwarded directly to them for reimbursement.
