Other	Part III / Line 4d - Other Programs

Return Reference	Explanation
Other	Environmental Health - VPIRG works to protect the public health and our environment from the hidden dangers of exposure to toxic chemicals in our everyday lives. VPIRG aims to fundamentally reform how chemicals are regulated, encouraging the use of safer alternatives whenever possible and minimizing exposures particularly to children. In 2014, after years of passing bills to ban or limit exposure to individual toxic chemicals, VPIRG was able to convince the state legislature to pass the Toxic-Free Families Act, a law aimed at protecting children from the worst of these by creating a process to identify and restrict the most dangerous chemicals in our consumer products. This was the first major step to achieving the comprehensive chemical reform that's needed.

Return Reference	Explanation
Other	Environment and Zero Waste - VPIRG works to advance policies and solutions that move us closer to zero waste in Vermont. To that end, VPIRG successfully defended the landmark Bottle Bill law from industry attacks and continued to make the case that the law needs to be updated and strengthened to cover water and non-carbonated beverages. We continue to research and advocate for stronger recycling programs and implementation of extended producer responsibility for the waste their products generate in the system.

Return Reference	Explanation
Other	Health Care Reform - VPIRG works to implement policies and programs that will ensure that all Vermonters have access to quality, affordable health care when they need it. VPIRG envisions a day when our health care system is driven by positive health outcomes rather than the profits of the industry and insurance bureaucrats. VPIRG plays a critical role in pulling back the curtain on health insurer practices by pursuing policies aimed at increasing transparency and disclosure. Meanwhile, we continue to watchdog the current system and work with lawmakers and the Green Mountain Care Board to support policies that help control costs and bring a strong consumer perspective to health care reform.

Return Reference	Explanation
Other	General Membership Services - As the largest membership-based environmental and consumer advocacy organization in the state, VPIRG provides educational and informational resources on our campaigns and related issues to over 40,000 members and supporters annually VPIRG serves as a go-to resource for individuals and groups to learn about public interest policy issues and opportunities for making their voices heard on issues at critical times throughout the year VPIRG also regularly provides training to activist members in core skills such as writing a letter to the editor, speaking in public about policy issues, organizing local community meetings, and how to lobby their elected officials
