FORM 990, PART III, LINE 2	Beginning in 2014, The AKC Canine Health Foundation began funding out-of-cycle grants by working through a Memorandum of Understanding (MOU) with breed clubs interested in funding breed-specific or disease-specific research. MOUs are contractual agreements between a club and CHF that states the club's expectations of CHF, the research to be funded, and the amount the club will donate and/or release from the Donor Advised Funds in support of the research. A management fee is assessed based on the total amount of the grant, covering the expense of the review process and administration of grant payments, researcher communications, grant requirements and reports, and communications to sponsors. CHF was able to fund substantially more research by collaborating with clubs to meet their needs, as well as raise new revenue to support operational expenses.
