Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either may show your basis (usually your cost) even if your broker did not report it to the IRS Brokers must report basis to the IRS for most stock you bought in 2011 or later (and for certain debt instruments you bought in 2014 or later)

**Short-Term.** Transactions involving capital assets you held 1 year or less are short term. For long-term transactions, see page 2

**Note.** You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the total directly on Schedule D, line 1a; you are not required to report these transactions on Form 8949 (see instructions).

You must check Box A, B, or C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. If you have more short-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.
