You can get cost basis information for both realized and unrealized gains and losses for your Vanguard account at [vanguard.com](#)

Some or all of this information may be reported to the IRS on Form 1099-B Proceeds from Broker and Barter Exchange Transactions. Vanguard provides cost basis information using the average cost method for mutual funds and first in, first out for other holdings, unless you've selected another method. You may want to consult a tax advisor to determine the appropriate method for you. Certain adjustments may change the basis we're currently reporting to you. In that event, we'll send you revised realized gain and loss information. A dash indicates the information on our system was incomplete at the time this document was generated. See IRS Publication 550 (Investment Income and Expenses) for additional information.
