Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:
The mission of the Brighter Choice Foundation is to provide start-up grants, school facilities, a revolving loan fund, and operational and academic support to public charter schools in the City of Albany.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 2,482,785 including grants of \$ 0) (Revenue \$ 2,633,129)
The Brighter Choice Foundation (Foundation) was established to provide support services and resources to the then-newly developing charter schools in the Albany, NY market. In this partner-support role, the Foundation obtained the financing necessary for the development and construction of various school facilities. These financing arrangements were based on design preferences of the school as described in collaborative conversations with community stakeholders and school personnel. The Foundation carried the loan(s) through maturity at which time the Foundation worked to transfer ownership back to the schools after they had secured their own financing (at the cost to develop the property.) These leasing arrangements were intentional and necessary given the poor state of the economy, the unforbearing capital markets, and limited borrowing opportunities offered to the charter schools during start-up phase. As is the case with most non-profit organizations, charter schools are rarely in a position to borrow significant money in order to purchase facilities. Thus, by design, these lease payments were established to assist the schools during their start-up phase and only required the schools to pay back the minimum debt service requirements - typically interest only or minimal principal reductions. This equates to the same debt the schools would have been required to cover if they had been able to secure their own financing with favorable terms..

4b (Code:) (Expenses \$ 1,995,544 including grants of \$ 0) (Revenue \$ 377,978)
The Brighter Choice Foundation (Foundation) was founded to help launch and ensure the success of public charter schools in the City of Albany. The Foundation's tagline Building a Brighter Future - One School at a Time - clearly indicates what it originally set out to accomplish. In achieving its purpose, the Foundation provided start-up grants, a revolving loan fund and technical assistance to the Albany Charter School Network (Albany Network). Further, to drive school quality, the Foundation drew upon expertise from existing top urban schools in the United States of America and worked with its school leaders to ensure key elements of success were incorporated into each member school's academic model. Examples of these best practices include small school settings, longer school days and school years and behavioral structure. Currently, the Albany Network consists of eight charter schools - four elementary, two middle, and two high schools serving approximately 3,000 students with plans for growth. This represents approximately 25% of Albany's public school population. The Foundation then created a resource support model for the schools (Albany Charter School Network - a DBA) This was to strategically partner with the Network schools to best help the students, faculty and school leaders achieve the goals they had established. Given shared commitments and objectives, the Network is uniquely poised to help create a thriving charter school community in the City of Albany.

4c (Code:) (Expenses \$ 28,500 including grants of \$ 28,500) (Revenue \$ 0)
The Foundation also operates scholarship initiatives to help enable children from economically disadvantaged families to attend private schools. These activities are funded primarily through contributions from foundations and individuals.

4d Other program services (Describe in Schedule O.)
(Expenses \$ 0 including grants of \$ 0) (Revenue \$ 0)

4e Total program service expenses ▶ 4,506,829
