Schedule D, Part X, Line 2	KYJO Enterprises, Inc. is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and related State code, and therefore has made no provision for federal income taxes in accompanying financial statements. Accounting principles generally accepted in the United States of America require those charged with governance to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Organization has evaluated the tax positions taken and has concluded that as of December 31, 2014 there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions. The Federal and State informational returns have not been examined by the taxing jurisdictions and therefore all open years under respective statutes of limitations remain subject to examination.
