990 Schedule F, Supplemental Information

Return Reference	Explanation
Part I, Line 2	When Water 1st makes a grant to a recipient organization, these procedures are followed. A grant agreement is signed between Water 1st and each recipient organization describing the project for which the grant from Water 1st is being given in support of water, sanitation, and health projects in specific communities, or group of specific communities. The agreement will specify the purposes for which the grant is being made, requiring a final narrative and financial reporting during project implementation, requiring a final narrative and financial report, and acknowledging Water 1st's authority to withhold and/or recover grant funds in case such funds are, or appear to be, misused. Grant agreements are endorsed by financing by the members of the International Programs team (currently staff members Kirk Anderson, Marla Smith-Nilson, and Steve Deem and board member John Crossman) within the annual budget allowances approved by the Board of Directors. After projects have been endorsed by the International Programs team, the Executive Director has the authority to sign on behalf of Water 1st. The grant agreement will specify quarterly progress payments to the grantee. The Executive Director or anyone with check signing authority will transfer the quarterly progress payment to the partner organizations according to the schedule specified in the grant agreement. Water 1st staff will then notify our local partner organization of transfer and ask them to complete a wire transfer confirmation form or provide other confirmation that the funds were received. After funds have been transferred, our local partner organizations will be required to submit quarterly financial reports and will also be required to have an annual independent audit of their accounts. Water 1st is aware of the U.S. Executive Orders and U.S. law that prohibit transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. In selecting and monitoring our local partner organizations, we will work to ensure compliance with these Executive Orders and laws, by monitoring the distributions we make to our local partner organizations and also cross-checking with the U.S. Department of State's Current List of Designated Foreign Terrorist Organizations. Water 1st also conducts site inspections and requires access to all invoices, financial records and accounts for the projects we support through our local partner organizations. Water 1st reserves the right to have an audit conducted if any questions cannot be resolved during our site inspections.

990 Schedule F, Supplemental Information

Return Reference	Explanation
Part I, line 3	Water 1st has ongoing monitoring of each grant and each local partner organization. According to our grant agreements, each of our local partner organizations will be required to Submit quarterly financial reports as well as final financial report after expenditure of the entire grant to Water 1st describing in detail how the grant was spent, Submit quarterly narrative progress reports as well as a final report after expenditure of the entire grant to Water 1st describing the extent to which the goals and purposes of the project or program for which the grant was obtained were accomplished, Provide the most recent copy of an annual independent audit of the local partner organization's financial records, Provide, as part of their financial report to Water 1st, complete records of each receipt and expenditure made in connection with the grant, Use the entire grant only for the purposes stated in the agreement between Water 1st and the local partner organization, and Repay any portion of the grant not used for the purposes stated in the Grantee's grant proposal. Water 1st staff makes periodic visits, no less than annually, to our local partner organizations and the projects supported by Water 1st, to conduct our own inspection of the ongoing or completed water, sanitation and health projects funded by Water 1st. Water 1st has a written evaluation that we complete which involves interviews with the staff of the local partner organization, the water committees and individual households. Observations will also be made of the use and construction of the water and sanitation systems. As part of each visit, Water 1st meets with the staff of the local partner organization to share the evaluation results so that the local partner organization can further improve its efforts in the communities we support. These meetings cover such topics as health education, project operation and maintenance, finance, watershed protection, sanitation, and community organization. These meetings also allow the staff of Water 1st to provide some cross-fertilization of ideas and experience sharing between local partner organizations. While conducting oversight of the grants, if Water 1st determines that any portion of a grant has been used for a purpose other than stated in the agreement, Water 1st will take all reasonable and appropriate steps to recover such wrongfully diverted funds and, at the discretion of Water 1st staff, will immediately terminate the grant arrangement without any obligation to make further disbursements of the grant. If Water 1st determines that a local partner organization has otherwise violated the agreement (by, for example, failing to submit required reports), Water 1st will either, at the discretion of the staff, (a) withhold any future installments of the grant until Grantee corrects the violation, or (b) immediately terminate the arrangement without any obligation to make further disbursements of the grant.
