**Note on this 990-PF form filed:**

In a nutshell, we received \$13,176 in a donation from our founding trustee and paid out grants of \$4,500 to qualified charities. We earned \$69 in interest in the checking account and money market accounts. This is all that we have done to operate our foundation. We hope to grow the foundation gradually where we can be much more effective in helping during these troubling end times.

I have done my best to fill this out accurately and completely. I consider myself to be of average intelligence. However I find that I am unable to understand how I should be filling out some sections correctly because the instructions are not clear or complete enough for an average person like myself. I would hope in the future there could be examples presented and more developed instructions shown on a website to help average people who have a small foundation to comply with the information you are requesting. This form appears to require me to sign under threat of penalties of perjury. I guess that I have unintentionally made some mistakes in filling out this form. Therefore, I must declare that I am not signing this form voluntarily, but signing it out of fear that if I did not, then I might be prosecuted. It should be noted that I have filled this form in good faith and to the best of my ability. Thank you for your consideration of our efforts to make the world a better place for all humanity. Amen
